

MEPRO EVERGREEN PISTOL SET WALTHER PPQ G RING/BLANK - EVERGREEN PISTOL SET WALTHER PPQ O RING/BLANK

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Mepro Evergreen™ is a super bright LED-based illuminated sight for daytime and nighttime operations. The Mepro Evergreen™ enables the shooter to hit stationary or moving targets while increasing dramatically the hit probability. In the daytime and nighttime operations, the shooter's target acquisition capability deepens on a clear view of crystal clear solid dots. The super bright LED light source inserted into both front and rear metal housing, ensure a clear sharp illuminated three-dot picture. Based on an illuminated sight patent, The Mepro Evergreen™ has an exceptional power source that ensures constant and reliable use of 5 consecutive years of operation. Meprolight also offers selective pistol models the Mepro Evergreen™ super bright LED front sight only with U shape rear sight (not illuminated), which have shown a dramatic increase in users' hit probability. The Mepro Evergreen™ does not contain any hazardous material and complies with European standards. Superior production methods and rigid quality control have made Meprolight the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight are performed, controlled, and monitored to these demanding quality levels. Originally developed for the Israel Defense Forces, Meprolight sights are now in use by Military, Law Enforcement, and Civilians on Six Continents. Meprolight's modern design, production, and test facilities, with the most experienced technical staff in the industry, are ready to support you. When quality counts, be sure with Meprolight.

MEPRO EVERGREEN PISTOL SET WALTHER PPQ

Safety Instructions

Introduction

Thank you for choosing the Mepro Evergreen™ Pistol Set for your Walther PPQ. This safety instruction guide is designed to help you understand how to use this product safely and effectively, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before using your Mepro Evergreen™ sights.

General Safety Guidelines

- Always ensure the firearm is unloaded before installing or adjusting the sight.
- Use the sight only on compatible models as specified by the manufacturer.
- Do not modify the sight or firearm in any way that could compromise safety.
- Keep the sight and your firearm out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of damage or wear.
- Report any unsafe products or accidents to the relevant safety authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Target Acquisition:** Ensure you have a clear view of the target area before aiming. The illuminated sight provides a clear view in both daytime and nighttime operations.
- **Environmental Conditions:** Be aware of your surroundings and avoid using the sight in adverse weather conditions that may affect visibility.
- **Shooting Position:** Maintain a stable shooting position to enhance accuracy and safety.
- **Battery Safety:** The Mepro Evergreen™ has a longlasting power source. Do not attempt to open the sight to replace the power source, as this may void the warranty and compromise safety.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and in a safe position.
2. **Mounting the Sight:**
 - Align the sight with the mounting rail on your Walther PPQ.
 - Securely fasten the sight using the provided screws or mounting hardware.
 - Ensure the sight is firmly attached and does not wobble.
3. **Adjustment:**
 - Adjust the sight for windage and elevation as needed to ensure accuracy.
 - Refer to the manufacturer's specifications for precise adjustment methods.

Usage

- **Turning On the Sight:** Activate the sight by following the manufacturer's instructions for power activation.
- **Aiming:** Use the illuminated threedot picture for aiming at your target.
- **Shooting:** Practice safe shooting techniques, maintaining control of your firearm at all times.
- **PostUse Care:** After use, ensure the sight is turned off to preserve battery life. Clean the sight as per the manufacturer's recommendations.

Disposal Instructions

- Dispose of the Mepro Evergreen™ sight in accordance with local regulations regarding electronic waste.
- Do not dispose of the sight in regular household waste.
- If the sight is damaged or no longer functional, contact your local waste management authority for guidance on proper disposal.

Contact Information for Further Support

For any inquiries regarding safety, product usage, or support, please refer to the customer support resources provided by the manufacturer. Ensure you have your product details ready for efficient assistance.

Thank you for taking the time to read and understand these safety instructions. Your safety and the safety of others is our top priority. Enjoy your shooting experience with the Mepro Evergreen™ Pistol Set!
