

# MEPRO FUBS FLIP BACK UP REAR&FRONT 2 DOT REAR G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

This backup plan is always in sight. The Mepro FUBS is a tritium-enhanced set of sights – two tritium vials are firmly inserted in the rear sight, and one tritium vial is inserted in the front sight. In addition, the self-illuminated backup sights are designed to provide the shooter with secondary sights if the primary optics go down. The advanced Mepro FUBS sights are low-profile, made of strong composite material, and are highly durable. Quickly and easily flip them into position when needed. Sight pin elevation is easily adjusted without tools. Day or night, the tritium makes the Mepro FUBS a viable option. The MEPRO FUBS flip-up's are advanced, low-profile self-illuminated front and 2-Dot rear backup tritium sights -designed to provide a secondary sighting solution in case the primary optics go down. You can also use it as primary sight. The Mepro FUBS sights are mounted to any Picatinny rail using a 2.5mm Hex key (provided).

# MEPRO FUBS FLIP BACK UP REAR & FRONT 2 DOT REAR G/G Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO FUBS Flip Back Up Rear & Front 2 Dot Rear G/G sights. This guide provides essential safety instructions and usage information to ensure optimal performance and safety while using this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the MEPRO FUBS sights are installed correctly on your firearm to avoid accidents and ensure accurate aiming.
- Always treat every firearm as if it is loaded. Practice safe handling at all times.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the sights for damage or wear. Do not use if any part is compromised.
- Follow all local laws and regulations regarding the use of optical sights and firearms.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Only use the MEPRO FUBS sights with firearms that are compatible with Picatinny rails.
- Do not attempt to modify or disassemble the sights. Any alterations may compromise safety and functionality.
- Avoid exposing the sights to extreme temperatures or harsh environmental conditions that could affect their performance.
- Use the adjustment mechanisms as instructed to prevent damage to the sights.
- Do not rely solely on the backup sights in critical situations; always ensure primary optics are functioning correctly.

## Instructions for Installation and Usage

### Installation

1. **Gather Necessary Tools:** Ensure you have a 2.5mm Hex key (provided with the product).
2. **Select the Mounting Location:** Choose a suitable position on your Picatinny rail for optimal sight alignment.
3. **Attach the Sights:**
  - Align the base of the MEPRO FUBS sights with the Picatinny rail.
  - Insert the Hex key into the mounting screw and tighten securely without overtightening to avoid damaging the rail or sights.
4. **Check Alignment:** Ensure the sights are properly aligned and securely attached before use.

### Usage

1. **Flipping the Sights:**
  - To activate the backup sights, gently flip them into position as needed. Ensure they lock securely in place.
2. **Adjusting Elevation:**
  - The sight pin elevation can be adjusted easily without tools. Follow the manufacturer's instructions for precise adjustment.
3. **Visibility:**
  - The tritium vials ensure visibility in low light conditions. Familiarize yourself with the sight picture during both day and night conditions.

## **Disposal Instructions**

- When the MEPRO FUBS sights reach the end of their life cycle or if they are damaged beyond repair, dispose of them responsibly.
- Follow local regulations for electronic waste disposal, as the tritium vials may contain materials that require special handling.
- Consider recycling components where possible to minimize environmental impact.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the MEPRO FUBS sights, please refer to the manufacturer's website or customer service resources provided at the point of purchase.

Thank you for your attention to these safety instructions. Your safety and the safe use of the MEPRO FUBS sights are our top priority.
