

MEPRO FRBS FLIP BACKUP REAR&FRONT 2 DOT REAR/ORANGE HYPER BRIGHT FRONT

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

This backup plan is always in sight. The Mepro FRBS is a tritium-enhanced set of sights – two or four smaller tritium vials, depending on the model, are firmly inserted on the large aperture side of the rear sight. The self-illuminated front and rear backup sights are designed to provide the shooter with secondary sights in case the primary optics go down. In addition, the Front Sight post elevation is easily adjusted without tools. Day or night, the tritium makes the Mepro FRBS a viable option. The Mepro FRBS is an advanced, dual aperture, durable and low-profile auxiliary tritium-enhanced set of backup sights. 4 tritium vials are firmly inserted in the rear sight, and one tritium vial is inserted in the front sight. In addition, the Mepro FRBS self-illuminated backup sights are designed to provide you with secondary sights if the primary optics go down. You can also use it as primary sight.

MEPRO FRBS Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO FRBS Flip Backup Rear & Front Sight. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

General Safety Guidelines

- Always ensure that the sight is securely mounted before use.
- Regularly inspect the sight for any signs of damage or wear.
- Keep the sight clean and free from obstructions to maintain visibility.
- Ensure that the product is used in accordance with the manufacturer's instructions.
- Store the sight in a safe place, away from children and pets.
- Report any unsafe conditions or product defects to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper use or installation may result in inaccurate aiming or damage to the sight.
- **Avoiding Hazards:**
 - Do not attempt to modify or disassemble the sight.
 - Ensure that the sight is not exposed to extreme temperatures or harsh chemicals.
 - Always wear appropriate eye protection when using firearms equipped with the sight.
- **Age Warning:** This product is intended for use by individuals aged 18 and older. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded before beginning the installation.
- Locate the mounting points on your firearm where the sight will be attached.
- Align the sight with the mounting points and secure it using the provided screws or mounting hardware.
- Verify that the sight is firmly attached and does not shift when pressure is applied.

2. Usage:

- Familiarize yourself with the sight's features and adjustments before using it in the field.
- Adjust the front sight post elevation as needed for your shooting conditions. This can be done easily without tools.
- Use the rear sight for secondary aiming in case the primary optics fail.
- Practice using the sight in a safe and controlled environment to ensure proficiency.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sight in regular household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MEPRO FRBS, please refer to the manufacturer's website or contact their customer service. Ensure you have the product details available for reference.

Thank you for prioritizing safety while using the MEPRO FRBS Flip Backup Rear & Front Sight. Your adherence to these guidelines helps ensure a safe shooting experience.
