

Tru Dot FIXED SHOTGUN FRONT MOSSBERG M590(GHOST RING SIGHT) G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

Tru Dot FIXED SHOTGUN FRONT MOSSBERG

Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED SHOTGUN FRONT MOSSBERG. This product is designed to enhance your shooting experience by providing reliable night sight capabilities. To ensure your safety and the optimal performance of this product, please read this safety instruction guide carefully.

General Safety Guidelines

- Always treat firearms and their accessories with respect and caution.
- Ensure that you are familiar with local laws and regulations regarding firearm use and accessories.
- Inspect the product for any damage before installation and use.
- Store the product in a safe and secure location, away from children and unauthorized users.
- Always use protective gear, such as eye and ear protection, when handling firearms.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installing the Tru Dot sight.
- Follow the manufacturer's instructions for proper installation to avoid any malfunction.
- Do not attempt to modify the sight or firearm in any way that could compromise safety.
- Be aware of your surroundings and ensure that your shooting area is safe and secure.
- Avoid using the product in extreme weather conditions that could affect its performance.

Instructions for Installation and Usage

1. Preparation

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, such as screwdrivers or wrenches.

2. Installation Steps

- Remove the existing front sight from the firearm by following the manufacturer's instructions.
- Position the Tru Dot sight in place of the original front sight.
- Secure the sight using the provided screws or mounting hardware, ensuring a tight fit.
- Doublecheck the alignment of the sight to ensure accuracy.

3. Usage Instructions

- Familiarize yourself with the sight's features and how to adjust it for optimal performance.
- Practice shooting in a controlled environment to become accustomed to the new sight.
- Regularly check the sight for any signs of wear or damage, and replace if necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste. Instead, consider recycling or returning to a designated disposal facility if available.

Contact Information for Further Support

For any inquiries regarding safety, usage, or installation of the Tru Dot FIXED SHOTGUN FRONT MOSSBERG, please refer to the manufacturer's website or customer support resources.

Conclusion

Your safety is our priority. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your Tru Dot FIXED SHOTGUN FRONT MOSSBERG. Always stay informed and proactive about safety practices when handling firearms and their accessories.
