[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

Tru Dot Fixed Shotgun Set Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot Fixed Shotgun Set for your Remington 870, 1100, and 1187 (pre2010) firearms. This guide provides essential safety instructions, installation guidelines, and usage recommendations to ensure your experience is safe and effective. Please read this guide carefully before using the product.

General Safety Guidelines

- Always treat firearms as if they are loaded.
- Store firearms and ammunition separately and securely.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Use appropriate eye and ear protection when using firearms.
- Regularly inspect your firearm and sights for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm use and ownership.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the Tru Dot sights are compatible with your specific firearm model.
- Avoid using the sights in extreme weather conditions that could impair visibility.
- Do not attempt to modify the sights beyond the recommended minor modifications for installation.
- Keep the sights clean and free of obstructions to maintain optimal performance.
- Be cautious when handling firearms with installed sights to prevent accidental discharge.

Instructions for Installation and Usage

Installation Instructions

1. **Gather Required Tools:** You may need a screwdriver and possibly additional tools depending on your firearm model.
2. **Remove Existing Sights:** Carefully remove the existing sights from your firearm, following the manufacturer's instructions.
3. **Position the Tru Dot Sights:** Align the Tru Dot sights with the mounting points on your firearm.
4. **Secure the Sights:** Use the appropriate screws to securely attach the sights. Ensure they are tightened to prevent movement during use.
5. **Check Alignment:** After installation, check the alignment of the sights to ensure they are correctly positioned for accurate aiming.

Usage Instructions

- Familiarize yourself with the sighting system before using your firearm.
- Practice aiming with the sights in a safe environment to build confidence.
- Adjust your shooting technique as necessary to accommodate the use of the Tru Dot sights.
- Regularly check the sights for stability and functionality before each use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling guidelines.
- If the product is damaged or no longer usable, contact your local waste management authority for proper disposal.

disposal methods.

- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the Tru Dot Fixed Shotgun Set, please refer to the manufacturer's website or contact their customer support team for assistance.

By following these safety instructions and guidelines, you can ensure a safer shooting experience with your Tru Dot Fixed Shotgun Set. Thank you for prioritizing safety and responsible firearm use.
