[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

Tru Dot Fixed Shotgun Set Safety Instructions

Introduction

Thank you for choosing the Tru Dot Fixed Shotgun Set for your Remington 870 or 1187 (post 2009) model. This guide provides important safety information and instructions to ensure the proper use and installation of your sights. Adhering to these guidelines will enhance your shooting experience while maintaining safety.

General Safety Guidelines

- Ensure that the firearm is unloaded before installing or handling the Tru Dot sights.
- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and ammunition in a secure location, out of reach of children and unauthorized users.
- Use the sights only for their intended purpose.
- Regularly inspect the sights and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

- Do not use the sights in conjunction with incompatible firearm models.
- Avoid exposing the sights to extreme temperatures or harsh environmental conditions.
- Ensure that the sights are properly secured to prevent loosening during use.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Use appropriate eye and ear protection while shooting.
- If you experience any malfunctions or irregularities, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure the firearm is unloaded and in a safe environment.
2. **Remove Existing Sights:** Carefully remove the existing front sight from your Remington 870 or 1187.
3. **Align the New Sight:** Position the Tru Dot Fixed Shotgun Front Sight in the same location as the original sight.
4. **Secure the Sight:** Use the provided mounting hardware to secure the sight, making minor modifications if necessary. Ensure it is tightly fastened to prevent movement during use.
5. **Check Alignment:** Verify that the sight is aligned correctly with the barrel before using the firearm.

Usage

- Familiarize yourself with the sight's features and functionality before use.
- Practice aiming in a controlled environment to become accustomed to the new sights.
- Adjust your shooting technique as necessary to accommodate the sight's characteristics.

Disposal Instructions

- Dispose of any packaging materials responsibly and in accordance with local regulations.
- If the sights become damaged beyond repair, dispose of them in a manner that prevents them from being used inappropriately.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Tru Dot Fixed Shotgun Set, please refer to the contact point provided with your product or visit the manufacturer's website for more information.

By following these safety instructions, you can ensure a safer and more enjoyable experience with your Tru Dot Fixed Shotgun Set. Always prioritize safety and responsible firearm use.
