[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

Tru Dot FIXED SHOTGUN SET REMINGTON 870

Safety Instruction Guide

Introduction

Thank you for choosing the Tru Dot FIXED SHOTGUN SET REMINGTON 870. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your product. It is important to read and understand this manual before using the product to minimize risks and enhance your experience.

General Safety Guidelines

- Ensure that the product is installed and used in accordance with the manufacturer's instructions.
- Always treat the firearm as if it is loaded, even when it is not.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for wear and tear or any signs of damage.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming.
- Follow all local laws and regulations regarding firearm usage and ownership.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Do not use the Tru Dot sights in conditions where visibility is compromised beyond their designed capability.
- Avoid using the product in environments where it may be exposed to extreme temperatures or moisture.
- Ensure that the firearm is properly maintained to avoid malfunctions.
- Never modify the product or firearm beyond the manufacturer's specifications.
- Be cautious when cleaning the firearm, ensuring that it is unloaded and pointed in a safe direction.

Instructions for Installation and Usage

Installation Instructions

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation.

2. Remove Existing Sights:

- Carefully remove the existing sights from the firearm, following the manufacturer's guidelines.

3. Install Tru Dot Sights:

- Align the Tru Dot sights with the mounting points on your firearm.
- Secure the sights in place using the provided screws or mounting hardware.
- Ensure that the sights are firmly attached and properly aligned.

4. Final Check:

- Inspect the installation to confirm that the sights are secure.
- Verify that there are no obstructions in the sight line.

Usage Instructions

- To utilize the selfilluminated feature, ensure that the sights are clean and free from obstructions.
- Adjust the sights as necessary for optimal accuracy based on your shooting conditions.
- Practice regularly to become familiar with the sights and improve your shooting accuracy.

Disposal Instructions

- When disposing of the Tru Dot sights, follow local regulations regarding electronic waste and firearm accessories.
- Do not dispose of the product in regular household waste.
- Check for local recycling programs that accept firearm accessories.

Contact Information for Further Support

For any safety inquiries or product support, please refer to the manufacturer's official website or contact customer service through the provided channels. Always ensure that you have the most current information regarding safety recalls and product updates.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Tru Dot FIXED SHOTGUN SET REMINGTON 870. Always prioritize safety and responsible usage to protect yourself and others. Thank you for your attention to these important safety measures.
