

# MEPRO Tru Dot RIFLE SIGHTS - Tru Dot FIXED RIFLE SET AK47 1000M SCALE G/G

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

MEPROLIGHT® combat-proven self-illuminated night sights enable you to upgrade your capabilities to hit stationary or moving targets under low-light conditions with dramatically increased hit probability. Test results by marksmen and journeymen level shooters have shown an increase of over 85% in hit efficiency, using Meprolight® self-illuminated day/night sights. Designed as replacement parts for the standard weapon sights, Meprolight's Self-Illuminated night sights can be mounted directly with minor modifications. Superior production methods and rigid quality control have made Meprolight® the first choice among law enforcement agencies, defense decision-makers, and major weapon manufacturers. A full quality program, certified to ISO-9001:2008 and complying with NATO and US Military Specifications is in place. All products and processes at Meprolight® are performed, controlled, and monitored to these demanding quality levels.

# MEPRO Tru Dot RIFLE SIGHTS Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO Tru Dot RIFLE SIGHTS Tru Dot FIXED RIFLE SET AK47 1000M SCALE G/G. This guide provides essential safety instructions to ensure the safe use and handling of your rifle sights. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions provided.
- Always handle your rifle and sights with care to prevent accidents.
- Store the sights in a safe, dry place when not in use to prevent damage.
- Regularly inspect your sights for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

## Specific Safety Precautions for Use

- Do not point the rifle at anything you do not intend to shoot.
- Always treat the rifle as if it is loaded.
- Ensure that the rifle is on safe mode when not in use.
- Use the sights only in accordance with the manufacturer's instructions.
- Avoid using the sights in extreme weather conditions that may impair visibility.
- Keep the sights clean and free from obstruction for optimal performance.
- Ensure that all modifications made to the rifle do not compromise safety.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Ensure that the rifle is unloaded and pointed in a safe direction.
- Gather necessary tools for installation (if applicable).

#### 2. Mounting the Sights

- Locate the standard weapon sight on your AK47.
- Remove the existing sight, taking care not to damage the rifle.
- Position the MEPRO Tru Dot sights in the designated mounting area.
- Secure the sights using the appropriate screws or fixtures, ensuring they are tightened adequately.

#### 3. Final Checks

- Inspect the installation to ensure the sights are securely mounted.
- Check for any movement or looseness in the sights before use.

### Usage

- Align the sights with your target before taking a shot.
- Use the selfilluminated feature in lowlight conditions for improved visibility.
- Practice regularly to become familiar with the sighting system and improve accuracy.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the sights in regular household waste.
- If the product is damaged or no longer functional, contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please consult the manufacturer's website or contact your local distributor for assistance. Always ensure you have the most current information regarding product safety and compliance.

Thank you for prioritizing safety while using the MEPRO Tru Dot RIFLE SIGHTS. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
