

# Oryx Chassis - Sportsman - Howa 1500 - LA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

# Oryx Chassis Sportsman Howa 1500 LA RH FDE

## Safety Instruction Guide

### Introduction

Thank you for choosing the Oryx Chassis Sportsman Howa 1500 LA RH FDE. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use your chassis safely and effectively.

### General Safety Guidelines

- Ensure that the chassis is compatible with your rifle model before installation.
- Always handle firearms with care and follow all safety protocols.
- Use the chassis only for its intended purpose.
- Keep the chassis and all related accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and contact a qualified professional.

### Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when using firearms.
- Ensure that the firearm is unloaded before attaching or detaching the chassis.
- Do not modify the chassis or use it in a manner not specified in this guide.
- Avoid placing any part of your body in front of the muzzle of the firearm at all times.
- When shooting, ensure that the area is clear of people and obstacles.

### Instructions for Installation and Usage

#### 1. Installation of the Chassis:

- Unload your firearm completely.
- Remove the factory stock from your Howa 1500 rifle.
- Align the action of the rifle with the Vshaped bedding of the chassis.
- Secure the action in place using the provided screws, ensuring a snug fit.
- Attach the adjustable buttstock to the rear of the chassis.
- Make sure all components are tightened and secure before use.

#### 2. Using the Chassis:

- Adjust the buttstock to fit your shoulder for optimal comfort and accuracy.
- Attach your preferred AR15 grip for better handling.
- Customize the chassis with MLoc accessories as needed.
- Always check that the chassis is securely attached to the rifle before shooting.

#### 3. PostUse Care:

- Clean the chassis after each use to maintain performance.
- Store the chassis in a dry, safe place when not in use.
- Regularly check for loose screws or components and tighten as necessary.

## **Disposal Instructions**

- Dispose of the chassis in accordance with local regulations.
- If the chassis is no longer usable, consider recycling materials where applicable.
- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the Oryx Chassis Sportsman Howa 1500 LA RH FDE, please reach out to your local dealer or manufacturer representative. Ensure you have your product details ready for a more efficient service.

By following these safety instructions, you can ensure a safe and enjoyable experience with your Oryx Chassis. Thank you for prioritizing safety and performance in your shooting activities.
