

# Oryx Chassis - Sportsman - Tikka T1X - SA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

## Safety Instruction Guide

### Introduction

Thank you for choosing the Oryx Chassis Sportsman Tikka T1X SA RH FDE. This chassis is designed to enhance your precision shooting experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

### General Safety Guidelines

- Ensure that you read and understand all instructions before using the chassis.
- Always treat your rifle as if it is loaded, even if you believe it is not.
- Keep the chassis and rifle out of reach of children and unauthorized users.
- Use the chassis only for its intended purpose as specified in this guide.
- Regularly inspect the chassis for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding the use of firearms and chassis systems.

### Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Ensure that the area around you is clear of obstructions and bystanders before shooting.
- Check that the rifle is properly secured in the chassis before use.
- Do not exceed the weight limit specified by the manufacturer for accessories.
- Be aware of the potential hazards of shooting, including ricochets, noise, and recoil.
- Do not modify the chassis or rifle in any way that is not recommended by the manufacturer.
- Ensure that any accessories used with the chassis are compatible and securely attached.

### Instructions for Installation and Usage

#### Installation

1. **Remove the Factory Stock:** Carefully detach the factory stock from your Tikka T1X rifle according to the manufacturer's instructions.
2. **Prepare the Chassis:** Unpack the Oryx Chassis and check for all components. Ensure that there are no visible damages.
3. **Attach the Action:**
  - Align the action of the Tikka T1X with the Vshaped bedding of the chassis.
  - Secure the action using the provided screws and tools. Ensure that it is tightened to the manufacturer's specifications.
4. **Install the Buttstock:**
  - Adjust the buttstock to your preferred length of pull.
  - Secure it according to the manufacturer's instructions.
5. **Attach Accessories:**
  - Install AR15 grips and MLoc accessories as desired.
  - Ensure all accessories are securely attached and compatible with the chassis.

#### Usage

- Before shooting, ensure that your rifle is loaded and ready for use according to standard operating procedures.
- Take your position behind the rifle and adjust the chassis for comfort and stability.
- Use the adjustable buttstock to achieve a proper fit for your shooting stance.

- Maintain a firm grip on the rifle and chassis throughout the shooting process.
- After use, ensure that the rifle is unloaded and stored safely.

## **Disposal Instructions**

- Dispose of the chassis and any components in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- If the chassis is damaged beyond repair, contact your local recycling center for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the Oryx Chassis Sportsman Tikka T1X SA RH FDE, please refer to the manufacturer's website or contact their customer support directly.

## **Conclusion**

Your safety is of utmost importance when using the Oryx Chassis. By following these guidelines and instructions, you can ensure a safe and enjoyable shooting experience. Always stay informed about safety practices and regulations to protect yourself and others. Thank you for choosing the Oryx Chassis.
