

# Oryx Chassis - Sportsman - Patriot - LA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

## Consumer Safety Instruction Guide

### Introduction

Thank you for choosing the Oryx Chassis Sportsman Patriot LA RH FDE. This guide provides essential safety information to ensure the safe use and handling of your chassis. Please read this guide carefully before using the product to ensure a safe and enjoyable experience.

### General Safety Guidelines

- **Product Safety:** This chassis is designed for safe use under normal operating conditions. Always adhere to safety guidelines to minimize risks.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided to ensure your safety.
- **Online Shopping:** If purchased online, ensure that the retailer adheres to safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure it is stored safely away from minors.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point provided by your retailer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on unsafe products.

### Specific Safety Precautions for Use

- **Always wear appropriate safety gear** when using the chassis, including eye protection and hearing protection.
- **Ensure the rifle is unloaded** before attaching or detaching the chassis.
- **Avoid using the chassis in adverse weather conditions** such as heavy rain or snow, as this may affect performance and safety.
- **Check for any damage** to the chassis before use. Do not use if damaged.
- **Store the chassis in a secure location** when not in use to prevent unauthorized access.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the rifle is unloaded and safe.
- Remove the factory stock from the rifle according to the manufacturer's instructions.
- Align the Oryx Chassis with the rifle's receiver and secure it using the provided hardware.
- Tighten all screws to the manufacturer's recommended torque specifications.
- Attach the adjustable buttstock to achieve a comfortable fit.

#### 2. Usage:

- When preparing to shoot, ensure you are in a safe environment.
- Adjust the buttstock for optimal comfort and accuracy.
- Use AR15 grips and MLoc accessories as needed to enhance your shooting experience.
- Always maintain a proper shooting stance for improved stability and control.

### Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- Consider recycling the aluminum components where facilities are available.
- Do not dispose of the chassis in regular household waste.

## **Contact Information for Further Support**

For any further assistance or inquiries regarding safety, please contact your retailer or check the manufacturer's website for support options.

Thank you for your attention to these safety instructions. Enjoy your Oryx Chassis and happy shooting!
