

Oryx Chassis - Sportsman - Howa 1500 - SA - RH - GRY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Howa 1500 SA RH Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Howa 1500 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your chassis. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure you are familiar with the operation of your rifle and the Oryx Chassis before use.
- Always treat your rifle as if it is loaded.
- Keep the chassis and rifle out of reach of children and unauthorized users.
- Use the chassis only for its intended purpose.
- Regularly inspect the chassis for any signs of damage or wear.
- Follow all local laws and regulations regarding firearm use and ownership.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the rifle is unloaded before installing or adjusting the chassis.
- Use only AR15 grips, ARCA rails, and MLoc accessories that are compatible with the Oryx Chassis.
- Make sure the adjustable buttstock is securely locked in place before use.
- When adjusting the buttstock, do so slowly and carefully to avoid injury.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your rifle is unloaded and in a safe environment.
2. **Remove Factory Stock:** Carefully detach the factory stock from your Howa 1500 rifle according to the manufacturer's instructions.
3. **Attach Oryx Chassis:**
 - Align the rifle action with the bedding area of the chassis.
 - Secure the action using the provided screws, ensuring they are tightened to the manufacturer's specifications.
4. **Install Accessories:** Attach any desired AR15 grips, ARCA rails, or MLoc accessories as needed.
5. **Adjust Buttstock:** Adjust the buttstock to fit your personal shooting style and comfort. Ensure it is locked in place before use.

Usage

- When using the chassis, maintain a proper shooting stance for stability and accuracy.
- Take time to familiarize yourself with the feel and handling of the chassis.
- Always check the fit and stability of the chassis before each shooting session.

Disposal Instructions

- Dispose of the Oryx Chassis responsibly, following local regulations for disposal of metal and plastic materials.

- If the chassis is damaged beyond repair, contact your local waste management facility for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the Oryx Chassis Sportsman, please refer to the contact information provided by the manufacturer or retailer.

By following these guidelines, you can ensure a safe and enjoyable experience with your Oryx Chassis. Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your shooting!
