

Oryx Chassis - Sportsman - Remington 783 - SA - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Remington 783 SA RH

Safety Instructions

Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Remington 783 rifle. This guide provides essential safety instructions to ensure the safe use and enjoyment of your product. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Always handle your rifle and chassis with care and ensure it is unloaded when not in use.
- Familiarize yourself with the operation of your rifle and the chassis before shooting.
- Use the chassis only with compatible firearms and accessories.
- Ensure that the chassis is installed correctly and securely before use.
- Inspect the chassis regularly for any signs of damage or wear.
- Store your chassis and firearm in a safe place, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm use and storage.

Specific Safety Precautions for Use

- Ensure that the adjustable buttstock is securely locked in place before shooting.
- Use only AR15 grips and MLoc accessories that are compatible with your chassis.
- Avoid using the chassis in extreme conditions (e.g., excessive heat, moisture) that may affect its performance.
- Do not modify the chassis beyond the manufacturer's specifications, as this may compromise safety.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a clear line of sight before firing.

Instructions for Installation and Usage

1. Installation:

- Carefully remove the chassis from its packaging and inspect it for any damage.
- Ensure that you have all necessary tools for installation.
- Follow the manufacturer's instructions for attaching the chassis to your Remington 783 rifle.
- Verify that all screws and components are tightened securely before use.

2. Usage:

- Adjust the buttstock to fit your shoulder comfortably.
- Attach your preferred AR15 grip and any MLoc accessories as needed.
- Ensure that the forend is free floated and not in contact with the barrel.
- Take time to practice with the chassis to familiarize yourself with its feel and handling.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding metal recycling.
- If the chassis is damaged beyond repair, ensure that it is rendered unusable before disposal.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any inquiries or concerns regarding the Oryx Chassis Sportsman, please refer to the manufacturer's contact information included in the product packaging or on the official website.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your Oryx Chassis Sportsman. Always prioritize safety and responsibility when handling firearms. Thank you for choosing our product, and happy shooting!
