

Oryx Chassis - Sportsman - Remington 700 - SA - LH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Remington 700 SA LH FDE Safety Instructions

Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Remington 700. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this manual carefully to understand how to use and maintain your chassis safely.

General Safety Guidelines

- Always treat your firearm as if it is loaded, even when it is not.
- Keep the muzzle pointed in a safe direction at all times.
- Be aware of your target and what lies beyond it.
- Ensure that the chassis is properly installed and secured before use.
- Regularly inspect your chassis and firearm for any signs of wear or damage.
- Store your chassis and firearm in a secure place, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm usage and ownership.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate eye and ear protection while shooting.
- **Environment:** Use the chassis only in designated shooting areas, and ensure the area is clear of bystanders.
- **Handling:** Avoid using the chassis when fatigued, under the influence of drugs or alcohol, or when experiencing emotional distress.
- **Adjustments:** Make all adjustments to the chassis while it is unloaded and pointed in a safe direction.
- **Compatibility:** Ensure that the chassis is compatible with your specific model of the Remington 700 before use.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Remove the factory stock from your Remington 700 by unscrewing the action screws.
- Align the action of the Remington 700 with the Vshaped bedding of the Oryx Chassis.
- Secure the action in place using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Attach the adjustable buttstock to the chassis, adjusting it for a comfortable fit.

2. Usage:

- Once installed, adjust the buttstock for optimal comfort and alignment with your eye.
- Attach your preferred AR15 grip and any MLoc accessories as needed.
- Before shooting, doublecheck that all components are secure and functioning correctly.
- Take your position behind the chassis, ensuring a stable shooting stance.
- Always verify your sight picture and ensure the area is clear before firing.

Disposal Instructions

- Dispose of any packaging materials in accordance with local recycling regulations.
- When disposing of the chassis, check with local waste management for proper disposal methods.
- If the chassis is damaged beyond use, consider recycling the aluminum components where possible.

Contact Information for Further Support

For any questions or concerns regarding the Oryx Chassis Sportsman, please consult your local dealer or authorized service center for assistance. Always refer to the manufacturer's website for the most up-to-date information and support resources.

Conclusion

Safety is paramount when using any firearm accessory. By following these guidelines, you can ensure a safe and enjoyable shooting experience with your Oryx Chassis Sportsman. Thank you for your commitment to safe firearm practices.
