

Oryx Chassis - Sportsman - Remington 700 - SA - LH - GRY

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Remington 700 SA LH

Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Remington 700 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your new chassis. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure the product is suitable for your specific rifle model and configuration.
- Always handle firearms with care and follow the basic safety rules when using your rifle.
- Keep the chassis and any accessories out of reach of children and unauthorized users.
- Regularly inspect the chassis for wear or damage before each use.
- Follow all local laws and regulations regarding firearm modifications and usage.

Specific Safety Precautions for Use

- **Bedding and Accuracy:** The Vshaped bedding system is designed to enhance accuracy. Ensure it is properly fitted to avoid any misalignment.
- **Free Floated Forend:** The free floated forend is engineered for optimal performance. Avoid obstructing the forend during use.
- **Adjustable Buttstock:** Adjust the buttstock to fit your shoulder comfortably. An improper fit can lead to reduced accuracy and increased fatigue.
- **Grip Compatibility:** Ensure that the AR15 grips and accessories are securely attached and compatible with the chassis to prevent accidents.
- **Color Customization:** If you choose to customize the chassis color, use only recommended materials that do not compromise the chassis integrity.

Instructions for Installation and Usage

1. Installation:

- Carefully remove your rifle from its original stock.
- Align the action of your Remington 700 with the Vshaped bedding of the Oryx chassis.
- Securely fasten the action using the provided screws, ensuring no movement occurs.
- Attach the adjustable buttstock, ensuring it is locked in place.
- Install your chosen AR15 grip and any additional accessories as needed.

2. Usage:

- Before firing, ensure the chassis is securely fitted and that all components are in place.
- Take time to adjust the buttstock for a comfortable fit, which is crucial for accuracy.
- When aiming, maintain a stable shooting position to maximize the benefits of the chassis design.
- After use, clean the chassis and inspect for any signs of wear or damage.

Disposal Instructions

- Dispose of the Oryx Chassis in accordance with local waste disposal regulations.
- If the chassis is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the chassis in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the Oryx Chassis, please reach out to your local retailer or manufacturer. Always ensure you have the latest information regarding safety recalls and updates.

Thank you for following these safety instructions. Enjoy your enhanced shooting experience with the Oryx Chassis Sportsman!
