

Oryx Chassis - Sportsman - Remington 700 - SA - LH - Oryx Chassis - Sportsman - Remington 700 - SA - LH - ODG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

Our ORYX Sportsman Chassis was designed to be the best aftermarket approach to shooting a precision rifle. The V-shaped bedding and free floated forend was engineered to improve accuracy and ergonomics. This solid aluminum chassis excels in performance over your factory stock to maximize your rifle's capabilities. When you get behind this chassis and take up a sight picture you will feel a more solid connection between you and your rifle. The adjustable buttstock allows you to tailor a much better fit for accuracy and speed when getting behind your scope. It takes AR15 grips, ARCA rails, M-Lok accessories and has customizable colors. It's designed as an excellent upgrade for shooting matches, hog or coyote hunting, or anyone interested in getting into long-range shooting.

Oryx Chassis Sportsman Remington 700 SA LH

Safety Instruction Guide

Introduction

Thank you for choosing the Oryx Chassis Sportsman for your Remington 700 rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your chassis. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the chassis is compatible with your firearm model before installation.
- Always handle firearms with care, treating every gun as if it is loaded.
- Keep the chassis and firearm out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- Always follow local laws and regulations regarding firearms and accessories.

Specific Safety Precautions for Use

- Use the chassis only for its intended purpose: improving the accuracy and ergonomics of your Remington 700 rifle.
- Ensure that the adjustable buttstock is securely fastened before use to prevent any accidents.
- When using the chassis, maintain a proper shooting stance to enhance stability and control.
- Be aware of your surroundings and ensure that you have a clear line of sight before taking any shots.
- Always wear appropriate safety gear, including eye and ear protection, when using your firearm.

Instructions for Installation and Usage

Installation

1. **Compatibility Check:** Confirm that the Oryx Chassis is suitable for your Remington 700 model.
2. **Remove the Factory Stock:** Carefully detach the factory stock from your rifle, following the manufacturer's instructions.
3. **Attach the Chassis:**
 - Align the action of your rifle with the Vshaped bedding of the chassis.
 - Securely fasten the action screws to ensure a snug fit.
4. **Adjust the Buttstock:** Set the adjustable buttstock to your preferred length for optimal comfort and control.
5. **Install Accessories:** Attach AR15 grips, ARCA rails, or MLoc accessories as desired.

Usage

- When preparing to shoot, ensure the chassis is securely attached to your rifle and all components are in good working condition.
- Adjust your scope as necessary for your shooting distance and conditions.
- Take your time to establish a stable shooting position before taking aim.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding metal recycling and firearm accessories.
- Do not dispose of the chassis in regular household waste.
- If the chassis is damaged beyond repair, consult local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries, concerns, or reports regarding the safety of the Oryx Chassis, please reach out to the designated EU contact point. Ensure you have your product details and any relevant information ready for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Oryx Chassis Sportsman. Thank you for your attention to safety, and enjoy your shooting experience!
