

Timbr Chassis - Frontier - TIKKA - SA - RH - CCL

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT Timbr Frontier has been developed to provide the look and feel of a traditional stock while incorporating the precision and repeatability of the modern V-Block bedding from a chassis. The buttstock and forend are made of Birch hardwood laminate giving every stock a unique wood grain and warm feel. They are then finished with a high-quality clearcoat and attached to the aluminum micro chassis and bottom metal.

This is a new generation of wood stocks with a fully tool-less adjustable Length of pull, cheek riser height and interchangeable rubber over-molded grips to fit you and your style of shooting. At just 4lb the Frontier allows you to use it for anything from hunting to target shooting with the ability to add accessories to the M-LOK forend and buttstock. The stock uses standard AICS pattern magazines and has an easy to manipulate ambidextrous magazine latch.

Safety Instruction Guide for the Timbr Chassis Frontier

Introduction

Thank you for choosing the MDT Timbr Chassis Frontier. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the chassis to maximize safety and performance.

General Safety Guidelines

- Product Safety:
 - Always ensure that the product is used in accordance with the manufacturer's instructions.
 - Be aware of potential risks associated with using the chassis, including but not limited to, improper handling and misuse.
- Enhanced Recalls:
 - Stay informed about any product recalls or safety notices. If a recall occurs, follow the instructions provided for safe return or remedy.
- Online Shopping:
 - When purchasing online, ensure that the retailer complies with safety regulations, just as you would when shopping in physical stores.
- Special Consumer Focus:
 - This product is not intended for use by children or vulnerable individuals without adult supervision. Ensure that all users are aware of safety practices.
- EU Contact Point:
 - For any safety inquiries, refer to the contact information provided by your retailer or manufacturer.
- Rapid Alerts:
 - Regularly check the EU's Safety Gate platform for updates on product safety and recalls.

Specific Safety Precautions for Use

- Always inspect the chassis for any signs of damage before use.
- Ensure that all components are securely attached before handling.
- Use the chassis only with compatible firearms and accessories.
- Do not exceed the manufacturer's recommended specifications for weight and usage.
- Always handle the chassis with care, especially when adjusting the length of pull and cheek riser height.
- Keep the chassis away from moisture and extreme temperatures to prevent damage.
- Always store the chassis in a safe and secure location when not in use.
- Use proper eye and ear protection when using the firearm equipped with the chassis.

Instructions for Installation and Usage

Installation Instructions:

1. **Unpacking:**

- Carefully unpack the chassis from its packaging, ensuring that all components are present.

2. **Attachment to Firearm:**

- Align the chassis with the firearm according to the manufacturer's specifications.
- Securely attach the chassis using the provided hardware.
- Ensure that the ambidextrous magazine latch is functioning properly.

3. **Adjustments:**

- Adjust the length of pull and cheek riser height using the toolless mechanisms provided.
- Test the adjustments to ensure they meet your comfort and shooting style.

4. **Adding Accessories:**

- If desired, attach accessories to the MLOK forend and buttstock as per the manufacturer's guidelines.

Usage Instructions:

1. **Before Use:**

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Familiarize yourself with the operation of the chassis and its adjustments.

2. **During Use:**

- Maintain a firm grip on the chassis while shooting.
- Monitor for any signs of malfunction or discomfort during use.

3. **After Use:**

- Clean the chassis according to the maintenance instructions provided by the manufacturer.
- Store the chassis and firearm securely.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations for electronic and metal waste.
- Do not dispose of the chassis in regular household waste.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Timbr Chassis Frontier, please refer to the contact information provided by your retailer or the manufacturer. It is important to reach out for assistance to ensure safe usage and compliance with safety standards.

Thank you for prioritizing safety while using the MDT Timbr Chassis Frontier. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
