

Breacher AR-15 Stock - Breacher AR-15 Mil-Spec Stock

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

One size doesn't fit all, and that's where the adjustable feature of the Breacher stock shines. It allows you to customize the length of pull, enabling you to find the perfect fit for your body type and shooting style.

Optimized for use with plate carriers, the Breacher AR-15 Mil-Spec Stock prioritizes your shooting experience, even when wearing body armor. The angled rubber butt-pad and dual-side release latches are specifically designed to facilitate efficient shoulder transitions and provide a secure and stable shooting platform.

Featuring QD sling mounts on the lower site, the Breacher AR-15 Mil-Spec Stock offers enhanced versatility and convenience. Attach your sling with ease, allowing for quick and effortless transitions between carrying and shooting positions.

In addition to its ergonomic design, this stock boasts a low weight and slim form factor. Its lightweight construction ensures that your rifle remains agile and maneuverable, while the slim profile reduces unnecessary bulk.

Breacher AR15 MilSpec Stock Safety Instructions

Introduction

Thank you for choosing the Breacher AR15 MilSpec Stock. This product is designed to enhance your shooting experience while prioritizing safety and comfort. Please read this guide carefully to understand the safety guidelines, installation instructions, and proper usage of your new stock.

General Safety Guidelines

To ensure safe use of the Breacher AR15 MilSpec Stock, please follow these general safety guidelines:

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that your shooting environment is safe and free from obstructions.
- Do not use the stock with any firearm for which it is not designed.
- Regularly inspect the stock for any signs of wear or damage before use.
- Store your firearm and stock in a secure location, away from children and unauthorized users.
- Be aware of your surroundings and ensure that you have a proper backstop when shooting.

Specific Safety Precautions for Use

When using the Breacher AR15 MilSpec Stock, please take the following specific precautions:

- Ensure the stock is properly adjusted for your length of pull before shooting.
- When wearing body armor or plate carriers, make sure the stock is securely fitted to prevent any movement during use.
- Use the angled rubber buttpad as intended to enhance stability during shooting.
- Always use the dualside release latches to ensure the stock remains securely attached to the firearm.
- If you experience any discomfort or instability while using the stock, stop using it immediately and reassess your setup.

Instructions for Installation and Usage

To ensure the safe installation and proper usage of the Breacher AR15 MilSpec Stock, follow these steps:

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the existing stock from your AR15 by following the manufacturer's instructions.
- Align the Breacher AR15 MilSpec Stock with the buffer tube.
- Slide the stock onto the buffer tube until it is fully seated.
- Secure the stock in place using the dualside release latches.

2. Adjustment:

- To adjust the length of pull, locate the adjustment lever on the stock.
- Pull the lever to release the locking mechanism.
- Slide the stock to the desired length and release the lever to lock it in place.
- Ensure the stock is securely locked before use.

3. Usage:

- When ready to shoot, position the stock against your shoulder and ensure a firm grip on the firearm.

- Use the QD sling mounts to attach your sling for ease of carrying.
- Practice smooth transitions between carrying and shooting positions to enhance your shooting experience.

Disposal Instructions

When it comes time to dispose of your Breacher AR15 MilSpec Stock, please follow these instructions:

- Do not dispose of the stock in regular household waste.
- Check local regulations for proper disposal methods of polymer materials.
- If the stock is damaged or no longer usable, consider recycling options that accept polymer products.
- Always ensure that any firearm components are rendered unusable before disposal.
