TIMBR Buttstock Spacer Kit Safety Instructions

Introduction

Thank you for choosing the TIMBR Buttstock Spacer Kit. This product is designed to enhance your shooting experience by allowing you to adjust the length of pull on your XRS or ORYX Chassis buttstock. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the buttstock spacer.
- Use the product only as intended and according to the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check the spacers for wear and tear, and replace them if any damage is detected.
- Be aware of your surroundings and ensure that you are in a safe environment when using the firearm.

Specific Safety Precautions for Use

- Do not use the spacers if they show signs of damage or wear.
- Ensure that all components are securely attached before using the firearm.
- Avoid exposing the spacers to extreme temperatures or moisture, as this can affect their integrity.
- If you experience any discomfort or issues while using the spacers, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Preparation:

- Ensure that your firearm is completely unloaded.
- Gather all necessary tools, including a screwdriver if required.

2. Installation:

- Remove the existing buttstock from your XRS or ORYX Chassis.
- Select the appropriate spacer based on your desired length of pull.
- Align the spacer with the buttstock and securely attach it using the provided screws.
- Ensure that the spacer is firmly in place and does not wobble.

3. Usage:

- Adjust the length of pull to your comfort level.
- Test the fit by shouldering the firearm and ensuring a comfortable shooting position.
- Make any necessary adjustments to achieve the desired length.

4. PostInstallation Check:

- After installation, doublecheck that all screws are tightened and that the spacer is secure.
- Conduct a function check on the firearm to ensure everything operates correctly.

Disposal Instructions

- Dispose of any damaged or worn spacers in accordance with local regulations.
- If the product is no longer needed, consider recycling the materials where possible.
- Do not throw the product in regular household waste; instead, use designated disposal or recycling

facilities.

Contact Information for Further Support

For any questions or concerns regarding the TIMBR Buttstock Spacer Kit, please refer to the manufacturer's website or contact their customer support for assistance.

Thank you for prioritizing safety while using the TIMBR Buttstock Spacer Kit. By following these guidelines, you can ensure a safe and enjoyable shooting experience.
