# Safety Instruction Guide for the Triple Pull CKYEPOD Case

## Introduction

Thank you for choosing the Triple Pull CKYEPOD Case. This guide is designed to provide you with important safety information and instructions for the proper use and maintenance of your product. Please read this guide carefully to ensure safe and effective use of your CKYEPOD Case.

## General Safety Guidelines

- The CKYEPOD Case is designed for the secure storage and transport of your CKYEPOD. Always ensure that the buckle is fastened properly to prevent accidental opening.
- Regularly inspect the case for any signs of wear or damage. If you notice any issues, discontinue use and replace the case.
- Keep the case out of reach of children to prevent any potential choking hazards from small parts or accidental misuse.
- Do not use the case for purposes other than its intended use. This case is specifically designed for the CKYEPOD and should not be used to store other items.

## Specific Safety Precautions for Use

- Ensure that the CKYEPOD is securely placed inside the case before moving or transporting it.
- Avoid exposing the case to extreme temperatures, moisture, or direct sunlight for prolonged periods, as this may affect the integrity of the material.
- When opening or closing the buckle, do so gently to avoid pinching fingers or causing damage to the case.
- If the case becomes wet, allow it to dry completely before using it again to prevent mold or mildew growth.

## Instructions for Installation and Usage

### 1. Placing the CKYEPOD in the Case:

- Open the buckle of the CKYEPOD Case.
- Carefully insert the CKYEPOD into the case, ensuring it fits snugly.
- Close the buckle securely to fasten the case.

### 2. Transporting the Case:

- Always carry the case by its handle or designated carrying points.
- Avoid dropping or throwing the case, as this may cause damage to the CKYEPOD or the case itself.

### 3. Storing the Case:

- Store the case in a cool, dry place when not in use.
- Ensure that the case is stored upright to maintain its shape and functionality.

## Disposal Instructions

- Dispose of the CKYEPOD Case in accordance with local regulations.
- If the case is no longer usable, consider recycling the materials if possible.
- Do not dispose of the case in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the safety and use of your Triple Pull CKYEPOD Case, please reach out to the manufacturer or retailer from which you purchased the product. They can provide additional guidance and support.

By following these guidelines, you can ensure the safe use of your Triple Pull CKYEPOD Case and protect yourself and others from potential hazards. Thank you for your attention to safety.
