

Chassis - HNT 26 - Howa 1500 - SA - RH - Fixed - ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

DESIGNED FOR THE HUNT

MDT's first purpose-built hunting chassis. Made with lightweight carbon fiber, with folding stock and ARCA forend options.

WHEN POUNDS EQUAL PAIN

Manufactured using magnesium and carbon fiber, two of the highest quality, and most lightweight materials around. The HNT26 Chassis total package weights in starting at just 26oz, with the folding and ARCA options going up to approx. 31oz.

COMFORTABLE REGARDLESS OF WEATHER

Carbon fiber touch points on the HNT26 Chassis System not only help with weight savings, but also remove the "cold to the touch" feeling that can be associated with some metal materials in extreme conditions.

DESIGNED TO BE SNAG-FREE

The HNT26 rifle stock has been designed to drastically diminish snag points. From its smoother, less aggressive shape to the seamless integration of the magazine latch into the trigger guard, every part of this chassis system was truly designed with the hunter in mind.

1. Warm to the touch with lightweight carbon
2. Enclosed forend with M-LOK slots at 3, 6, 9 and 12 o'clock
3. Low profile mag latch integrated into the trigger guard
4. Adjustable cheek riser for better fitment
5. AICS Magazine compatible
6. Lightweight carbon fiber pistol grip (included)
7. QD Flush cups front and rear on both sides
8. Snag-free design for bushwhacking in the field

Safety Instruction Guide for MDT Chassis HNT 26 Howa 1500

Introduction

Thank you for choosing the MDT Chassis HNT 26 Howa 1500. This guide provides essential safety instructions to ensure safe use and maintenance of your product. Please read this guide carefully before using the chassis. Adhering to these guidelines will help protect you and others while maximizing the performance of your equipment.

General Safety Guidelines

- **Product Safety:** This chassis is designed for safe use in hunting and shooting activities. Ensure that you are familiar with all safety features and operations.
- **Enhanced Recalls:** In the event of a safety recall, you will be informed through standardized notices. Please check for updates regularly.
- **Online Shopping:** If purchased online, ensure that the retailer meets all safety requirements as mandated by EU regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep all components and accessories out of reach of children.
- **EU Contact Point:** For any safety inquiries regarding this product, please refer to the contact information provided by your retailer or manufacturer.
- **Rapid Alerts:** Stay informed about any safety updates or alerts related to this product via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment:** Always wear appropriate safety gear, including eye protection and hearing protection, when using this chassis.
- **Inspect Before Use:** Before each use, inspect the chassis for any signs of damage or wear. Do not use if any component appears compromised.
- **Proper Handling:** Handle the chassis with care. Avoid dropping it or subjecting it to heavy impacts.
- **Temperature Awareness:** Be mindful of temperature changes. Carbon fiber components may become cold in extreme weather, which could affect handling.
- **Secure Storage:** Store the chassis in a dry place away from direct sunlight and moisture to prevent damage to materials.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before installing the chassis.
- Follow the manufacturer's instructions for attaching the chassis to the Howa 1500 action.
- Use the provided hardware to secure the chassis firmly. Do not overtighten, as this may damage components.

2. Usage:

- Adjust the cheek riser to fit your preferred shooting position for comfort and stability.
- Use the adjustable folding stock for better portability when not in use.
- Familiarize yourself with the magazine latch and ensure it operates smoothly before use.
- Always check compatibility with AICS magazines before loading.

3. **Transport:**

- When transporting, ensure the chassis is secured in a protective case to prevent damage.
- Avoid placing heavy items on top of the chassis during transport.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the chassis and its components in accordance with local regulations.
- **Recycling:** Many components, especially carbon fiber and magnesium, can be recycled. Check with local recycling facilities for guidelines.
- **Hazardous Materials:** If any components are deemed hazardous, follow local hazardous waste disposal guidelines.

Contact Information for Further Support

For further assistance or inquiries regarding the MDT Chassis HNT 26 Howa 1500, please refer to the contact information provided by your retailer or manufacturer. Always ensure you have the latest information regarding safety and product recalls.

By following these guidelines, you can ensure a safe and enjoyable experience with your MDT Chassis HNT 26 Howa 1500. Thank you for your attention to safety.
