

Chassis - HNT 26 - Howa 1500 - SA - RH - Folding - Non ARCA - BCF

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

DESIGNED FOR THE HUNT

MDT's first purpose-built hunting chassis. Made with lightweight carbon fiber, with folding stock and ARCA forend options.

WHEN POUNDS EQUAL PAIN

Manufactured using magnesium and carbon fiber, two of the highest quality, and most lightweight materials around. The HNT26 Chassis total package weights in starting at just 26oz, with the folding and ARCA options going up to approx. 31oz.

COMFORTABLE REGARDLESS OF WEATHER

Carbon fiber touch points on the HNT26 Chassis System not only help with weight savings, but also remove the "cold to the touch" feeling that can be associated with some metal materials in extreme conditions.

DESIGNED TO BE SNAG-FREE

The HNT26 rifle stock has been designed to drastically diminish snag points. From its smoother, less aggressive shape to the seamless integration of the magazine latch into the trigger guard, every part of this chassis system was truly designed with the hunter in mind.

1. Warm to the touch with lightweight carbon
2. Enclosed forend with M-LOK slots at 3, 6, 9 and 12 o'clock
3. Low profile mag latch integrated into the trigger guard
4. Adjustable cheek riser for better fitment
5. AICS Magazine compatible
6. Lightweight carbon fiber pistol grip (included)
7. QD Flush cups front and rear on both sides
8. Snag-free design for bushwhacking in the field

MDT Chassis HNT 26 Howa 1500 Safety Instruction Guide

Introduction

Thank you for choosing the MDT Chassis HNT 26 for your Howa 1500 rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the chassis to ensure a safe experience.

General Safety Guidelines

- Ensure that the chassis is compatible with your specific rifle model before installation.
- Always follow local laws and regulations regarding firearm usage and modifications.
- Inspect the chassis and rifle for any visible damage or wear before each use.
- Store the chassis and rifle in a secure location, away from children and unauthorized users.
- Regularly check for any recalls or safety alerts related to your product via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limits for attachments and accessories.
- Ensure the folding mechanism is securely locked before use to prevent accidental folding.
- Avoid using the chassis in extreme weather conditions unless specifically designed for such use.
- Be aware of your surroundings while using the rifle to prevent accidents and injuries.
- Always wear appropriate safety gear, including eye protection and hearing protection, when using firearms.

Instructions for Installation and Usage

1. Installation

- Ensure the rifle is unloaded and pointed in a safe direction before beginning installation.
- Remove the original stock from your Howa 1500 according to the manufacturer's instructions.
- Align the MDT Chassis with the rifle's action and secure it using the provided screws and tools.
- Doublecheck that all screws are tightened and the chassis is firmly attached.

2. Usage

- Adjust the cheek riser for a comfortable fit before taking your first shot.
- Familiarize yourself with the magazine latch and ensure it operates smoothly.
- Practice using the QD flush cups for attaching slings or other accessories.
- Regularly clean and maintain the chassis to ensure optimal performance.

Disposal Instructions

- Dispose of the chassis responsibly according to local regulations.
- If the chassis is damaged beyond repair, consider recycling the carbon fiber and magnesium components where applicable.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis HNT 26, please refer to the manufacturer's website or

customer service for assistance.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your hunting experience with the MDT Chassis HNT 26!
