

# Chassis - HNT 26 - Howa 1500 - SA - RH - Fixed - Non ARCA - CKG

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

## DESIGNED FOR THE HUNT

MDT's first purpose-built hunting chassis. Made with lightweight carbon fiber, with folding stock and ARCA forend options.

## WHEN POUNDS EQUAL PAIN

Manufactured using magnesium and carbon fiber, two of the highest quality, and most lightweight materials around. The HNT26 Chassis total package weights in starting at just 26oz, with the folding and ARCA options going up to approx. 31oz.

## COMFORTABLE REGARDLESS OF WEATHER

Carbon fiber touch points on the HNT26 Chassis System not only help with weight savings, but also remove the "cold to the touch" feeling that can be associated with some metal materials in extreme conditions.

## DESIGNED TO BE SNAG-FREE

The HNT26 rifle stock has been designed to drastically diminish snag points. From its smoother, less aggressive shape to the seamless integration of the magazine latch into the trigger guard, every part of this chassis system was truly designed with the hunter in mind.

1. Warm to the touch with lightweight carbon
2. Enclosed forend with M-LOK slots at 3, 6, 9 and 12 o'clock
3. Low profile mag latch integrated into the trigger guard
4. Adjustable cheek riser for better fitment
5. AICS Magazine compatible
6. Lightweight carbon fiber pistol grip (included)
7. QD Flush cups front and rear on both sides
8. Snag-free design for bushwhacking in the field

## Attributes

- Name: [MDT Chassis - HNT 26 - Howa 1500 - SA - RH - Fixed - Non ARCA - CKG](#)
- Manufacturer: [MDT](#)
- Product no.: EU2012694

# Safety Instruction Guide for MDT Chassis HNT 26 Howa 1500

## Introduction

Thank you for choosing the MDT Chassis HNT 26 for your Howa 1500 rifle. This product is designed for hunting and offers a lightweight, durable construction. To ensure safe and effective use, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always handle your rifle and chassis with care. Treat every firearm as if it is loaded.
- Ensure you are familiar with local laws and regulations regarding firearms and hunting.
- Store your chassis and rifle in a secure location, away from children and unauthorized users.
- Regularly inspect your chassis for any signs of damage or wear.
- If you notice any defects, do not use the product. Contact your dealer for assistance.

## Specific Safety Precautions for Use

- **Weight Considerations:** The HNT26 chassis is lightweight but can still cause injury if mishandled. Always ensure a firm grip when handling.
- **Cold Weather Use:** Carbon fiber touch points are designed to minimize cold exposure. However, be cautious of the temperature and avoid prolonged contact in extreme cold.
- **SnagFree Design:** While the chassis is designed to reduce snag points, always be aware of your surroundings to avoid entanglement.
- **Magazine Handling:** When loading or unloading the magazine, ensure the rifle is pointed in a safe direction.
- **Adjustable Components:** Make sure all adjustable components, such as the cheek riser, are securely locked in place before use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Align the chassis with the rifle action and secure it using the provided screws.
- Tighten screws to the manufacturer's recommended torque specifications.
- Check that the magazine latch is properly integrated and functioning.

### 2. Usage:

- Before heading into the field, familiarize yourself with the chassis controls and features.
- Adjust the cheek riser for a comfortable fit before taking your position.
- Use the QD flush cups for attaching slings securely.
- Always check the stability of the chassis and rifle before firing.

## Disposal Instructions

- Dispose of the chassis in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.
- Consider recycling options for carbon fiber and magnesium materials if available in your area.

## **Contact Information for Further Support**

For any safety inquiries or product support, please refer to your retailer or manufacturer's website for contact details. Always ensure to have your product information ready when seeking assistance.

By following these guidelines, you can ensure the safe and effective use of your MDT Chassis HNT 26 Howa 1500. Enjoy your hunting experience responsibly!
