RMR to Picatinny Adapter Safety Instructions

Introduction

Thank you for choosing the RMR to Picatinny Adapter. This product is designed to securely mount optics with the RMR footprint onto a Picatinny rail, providing a stable and reliable connection for your shooting needs. To ensure safe use and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure the adapter is compatible with your optics and Picatinny rail before installation.
- Always inspect the adapter for any signs of damage or wear before use.
- Keep the adapter out of reach of children and vulnerable individuals.
- Use the adapter only for its intended purpose as specified in this manual.
- In case of any malfunction or failure, discontinue use immediately and contact a qualified professional.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified by the manufacturer for mounted optics.
- Ensure all screws and attachments are tightened securely before use.
- Avoid using the adapter in extreme conditions (e.g., excessive heat, moisture) that may affect its integrity.
- Regularly check the stability of the mounted optics during use, especially after transportation.
- If you experience any unusual movement or instability, cease use and inspect the adapter and optics.

Instructions for Installation and Usage

1. **Preparation**:

   - Gather all necessary tools (e.g., screwdriver) and ensure a clean, dry workspace.
   - Read the specifications of your optics and Picatinny rail for compatibility.

2. **Installation**:

   - Align the RMR to Picatinny Adapter with the mounting holes on your Picatinny rail.
   - Securely fasten the adapter using the appropriate screws. Ensure they are tightened to prevent loosening during use.
   - Attach your optics to the adapter according to the manufacturer's instructions, ensuring a secure fit.

3. **Usage**:

   - After installation, check the alignment and stability of your optics.
   - Use the mounted optics in a safe and controlled environment, following all local laws and regulations regarding shooting and optics usage.

Disposal Instructions

- Dispose of the RMR to Picatinny Adapter responsibly.
- If the adapter is no longer usable, check local regulations for proper disposal methods.
- Do not dispose of the adapter in household waste if it contains any electronic components.

Contact Information for Further Support

For any inquiries regarding safety or product information, please refer to the manufacturer's contact details included with your product packaging.

By following these safety instructions, you can ensure a safe and effective experience with your RMR to Picatinny Adapter. Thank you for your attention to these guidelines.
