

# Lead Purge - Try-Me 40ML

## Gun Cleaning & Chemicals

**Lead Purge** uses a specialized formula designed to bind with lead, dirt, and grime on contact. This unique paste captures harmful particles from the surface of the skin, allowing them to be rubbed off effortlessly without the need for water. Within just 15-30 seconds, the contaminants are lifted from your hands and simply fall away, leaving your skin clean and lead-free.

This fast and effective solution is not only safe for your skin but also ideal for use in environments where water is scarce or unavailable. Whether you're in the field, at the range, or on the job, **Lead Purge** ensures you maintain hygiene and protect yourself from harmful exposure, even in challenging conditions.

# Lead Purge TryMe 40ML Safety Instruction Guide

## Introduction

Welcome to the safety instruction guide for Lead Purge TryMe 40ML. This product is designed to effectively remove lead, dirt, and grime from your hands without the need for water. It is important to use this product safely and effectively to ensure your wellbeing. Please read this guide carefully to understand how to use Lead Purge safely and effectively.

## General Safety Guidelines

- Always check the product packaging for any specific warnings or instructions.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Keep out of reach of children and pets.
- Do not use the product if the packaging is damaged or tampered with.
- In case of accidental ingestion or contact with eyes, seek medical advice immediately.

## Specific Safety Precautions for Use

- This product is intended for external use only. Do not apply to broken or irritated skin.
- Avoid contact with eyes. If contact occurs, rinse thoroughly with water and seek medical attention if irritation persists.
- Do not use on sensitive areas of the body or on children without adult supervision.
- Use in wellventilated areas to minimize inhalation of any vapors.
- If you experience any adverse reactions, discontinue use immediately and consult a healthcare professional.

## Instructions for Installation and Usage

1. **Preparation:** Ensure your hands are free from any large debris before applying Lead Purge.
2. **Application:**
  - Squeeze a small amount of Lead Purge onto your hands.
  - Rub your hands together thoroughly for 1530 seconds. This allows the product to bind with dirt and lead.
3. **Removal:**
  - Observe as the dirt and lead particles are lifted off your hands and fall away.
  - Your hands should now be clean and free from contaminants without the need for water.
4. **PostUse:** After use, store the product in a safe place to prevent accidental use by children.

## Disposal Instructions

- Dispose of the product packaging in accordance with local waste management regulations.
- Do not dispose of the product in household waste. Check for any local disposal programs for hazardous materials.
- Ensure that the product is fully used before disposal to minimize environmental impact.

## Contact Information for Further Support

For any inquiries regarding the safety or use of Lead Purge TryMe 40ML, please refer to the contact information provided on the product packaging or the manufacturer's website.

By following these guidelines, you can ensure the safe use of Lead Purge TryMe 40ML. Thank you for choosing our product, and stay safe!
