

Lead Purge - Advanced 100 ML

[Gun Cleaning & Chemicals](#)

Lead Purge uses a specialized formula designed to bind with lead, dirt, and grime on contact. This unique paste captures harmful particles from the surface of the skin, allowing them to be rubbed off effortlessly without the need for water. Within just 15-30 seconds, the contaminants are lifted from your hands and simply fall away, leaving your skin clean and lead-free.

This fast and effective solution is not only safe for your skin but also ideal for use in environments where water is scarce or unavailable. Whether you're in the field, at the range, or on the job, **Lead Purge** ensures you maintain hygiene and protect yourself from harmful exposure, even in challenging conditions.

Lead Purge Advanced Safety Instruction Guide

Introduction

Welcome to the Lead Purge Advanced safety instruction guide. This document provides essential safety information and guidelines for the safe use of Lead Purge, a specialized product designed to remove lead, dirt, and grime from the skin. Please read this guide carefully to ensure safe and effective use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in the product information.
- Keep the product out of reach of children and vulnerable individuals.
- Store in a cool, dry place away from direct sunlight and extreme temperatures.
- Regularly check for any updates or recalls related to the product through the EU Safety Gate platform.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Avoid contact with eyes. If the product gets into the eyes, rinse immediately with plenty of water and seek medical advice if irritation persists.
- Do not ingest the product. In case of ingestion, seek medical attention immediately.
- Use only in wellventilated areas to avoid inhaling any fumes.
- If you have sensitive skin or known allergies, perform a patch test before full application.
- Discontinue use immediately if any adverse reactions occur, such as redness, itching, or swelling.

Instructions for Installation and Usage

1. Preparation:

- Ensure your hands are free from any other substances before applying Lead Purge.

2. Application:

- Apply a small amount of Lead Purge to your hands.
- Rub thoroughly for 1530 seconds to allow the product to bind to dirt and lead.
- Observe as the dirt and lead particles are lifted off and fall away from your hands.

3. PostApplication:

- After use, dispose of any remaining product according to disposal instructions below.
- Wash your hands with soap and water after using Lead Purge to ensure complete cleanliness.

Disposal Instructions

- Dispose of the product container and any unused product in accordance with local regulations.
- Do not dispose of the product down the drain or in household waste without checking local disposal guidelines.
- Ensure that all packaging is recycled where possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the use of Lead Purge Advanced, please refer to the manufacturer's contact details provided on the product packaging.

Thank you for choosing Lead Purge Advanced. Your safety is our priority.
