

Lead Purge - Professional 250ML

[Gun Cleaning & Chemicals](#)

Lead Purge uses a specialized formula designed to bind with lead, dirt, and grime on contact. This unique paste captures harmful particles from the surface of the skin, allowing them to be rubbed off effortlessly without the need for water. Within just 15-30 seconds, the contaminants are lifted from your hands and simply fall away, leaving your skin clean and lead-free.

This fast and effective solution is not only safe for your skin but also ideal for use in environments where water is scarce or unavailable. Whether you're in the field, at the range, or on the job, **Lead Purge** ensures you maintain hygiene and protect yourself from harmful exposure, even in challenging conditions.

Lead Purge Professional Safety Instruction Guide

Introduction

Welcome to the safety instruction guide for Lead Purge Professional 250ML. This product is designed to effectively remove lead, dirt, and grime from your hands without the need for water. It is important to follow these safety instructions to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only as intended.
- Keep the product out of reach of children and vulnerable individuals.
- Always read the label and follow the instructions before use.
- In case of accidental ingestion or contact with eyes, seek medical attention immediately.
- Report any unsafe product incidents or accidents to the relevant authorities.
- Stay informed about product recalls via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Avoid using Lead Purge on broken or irritated skin.
- Do not apply the product near the eyes or mouth.
- Use in a wellventilated area to minimize inhalation of any vapors.
- If skin irritation occurs, discontinue use and consult a healthcare professional.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.

Instructions for Installation and Usage

1. **Preparation:** Ensure your hands are dry before applying Lead Purge.
2. **Application:**
 - Squeeze a small amount of Lead Purge onto your hands.
 - Rub your hands together thoroughly for 1530 seconds.
 - Observe as dirt and lead particles are lifted off your skin.
3. **Removal:**
 - The contaminants will fall away, leaving your hands clean and leadfree.
 - No water is required for the cleaning process.
4. **PostUse Care:**
 - Wash your hands with soap and water after use to ensure any residues are completely removed.
 - Store the product securely after use.

Disposal Instructions

- Dispose of any unused product or empty containers in accordance with local regulations.
- Do not dispose of the product in household waste.
- If unsure about disposal methods, consult local waste management services for guidance.

Contact Information for Further Support

For any questions or concerns regarding the use of Lead Purge Professional, please refer to the manufacturer's contact details provided on the product packaging.

By following these safety instructions, you can ensure a safe and effective experience with Lead Purge Professional 250ML. Thank you for prioritizing safety and hygiene.
