Safety Instruction Guide for Caldwell Lead Sled Solo 2 with Weight Reservoir

Introduction

Thank you for choosing the Caldwell Lead Sled Solo 2 with Weight Reservoir. This shooting rest is designed to provide stability and accuracy during shooting sessions. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the shooting area is clear of people and animals before using the Lead Sled.
- Use the Lead Sled only for its intended purpose, which is to stabilize firearms during shooting.
- Keep the Lead Sled out of reach of children and pets when not in use.
- Inspect the Lead Sled before each use for any signs of damage or wear. Do not use if damaged.
- Always wear appropriate eye and ear protection when shooting.
- Follow all local laws and regulations regarding firearm usage.

Specific Safety Precautions for Use

- Ensure that the firearm is properly secured in the Lead Sled before shooting.
- Do not exceed the weight limit of the Lead Sled as specified in the product specifications.
- Only use the Lead Sled on a stable, flat surface to prevent tipping or sliding.
- Avoid placing any part of your body in front of the firearm while it is mounted in the Lead Sled.
- Do not attempt to adjust or modify the Lead Sled while a firearm is mounted.
- Always keep the firearm pointed in a safe direction, even when it is mounted in the Lead Sled.

Instructions for Installation and Usage

1. Setup:

- Place the Lead Sled on a stable and flat surface.
- Adjust the front and rear supports to accommodate your firearm's stock.

2. Mounting the Firearm:

- Open the firearm support and place the stock of the firearm securely in the designated area.
- Ensure that the firearm is stable and does not move.

3. Weight Reservoir:

- Fill the weight reservoir with the appropriate weight to enhance stability, following the manufacturer's recommendations.
- Ensure that the weight is evenly distributed and securely in place.

4. Firing:

- Once the firearm is securely mounted, take your shooting position.
- Always check that the shooting area is clear before firing.

5. PostUse:

- After shooting, carefully remove the firearm from the Lead Sled.
- Store the Lead Sled in a safe place, out of reach of children and pets.

Disposal Instructions

- When the Lead Sled reaches the end of its useful life, dispose of it in accordance with local regulations.
- Do not dispose of the Lead Sled in regular household waste if it contains any hazardous materials. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact the retailer from whom you purchased the product.

By following these guidelines, you will help ensure a safe and enjoyable shooting experience with your Caldwell Lead Sled Solo 2 with Weight Reservoir. Always prioritize safety and remain informed about best practices when handling firearms.
