

# LSS Gen3 Kit LA - MDT Chassis - LSS Gen3 System - Savage - LA - 3.85 - RH - Worker - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The MDT LSS GEN3 Worker Kit is built for those who need reliability, portability, and simplicity—all packed into one rugged, ready-to-go setup. Whether you're hunting hogs, riding the fenceline, or keeping a coyote rig behind the seat, this chassis is always ready for action.

Lightweight. Compact. Easy to run. Toss it in the truck. Strap it to your pack. Set it up for anyone—from beginners to seasoned pros—and it just works.

Built for movement, the Worker Kit is easy to carry and quick to deploy, whether you're covering miles on foot or jumping in and out of a truck.

The short forend with polymer side panels keeps the rifle slim, comfortable, and easy to grip—plus, it's resistant to heat and cold where it matters. The compact CCS buttstock delivers portability without sacrificing ergonomics.

Truck gun. Ranch rifle. Pack build. Youth trainer. First rifle or fifth—it doesn't matter. This is the kind of setup that gets used—and used hard.

You get professional-grade features like AICS mag compatibility, V-block bedding, and M-LOK accessory slots, all in a build that's simple enough for anyone to use. And because it's still an LSS GEN3 chassis at its core, you're never locked in. Upgrade the stock. Swap the grip. Change the forend. Build it your way.

# Safety Instruction Guide for LSS Gen3 Kit LA MDT Chassis

## Introduction

Thank you for choosing the LSS Gen3 Kit LA MDT Chassis. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before using the chassis. Adhering to these guidelines will help you avoid potential hazards and enhance your overall experience.

## General Safety Guidelines

- Ensure that all users are familiar with the operation and safety features of the LSS Gen3 Kit LA MDT Chassis.
- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Keep the chassis and any attached firearms out of reach of children and unauthorized users.
- Use the chassis only for its intended purpose as specified in this guide.
- Regularly inspect the chassis for any signs of damage or wear. If any issues are found, discontinue use immediately and seek professional assistance.
- Follow all local, state, and national laws regarding the use and transportation of firearms.
- Be aware of your surroundings and ensure that you are in a safe environment when using the chassis.

## Specific Safety Precautions for Use

- **Firearm Compatibility:** Ensure that your firearm is compatible with the LSS Gen3 Kit LA MDT Chassis before installation.
- **Installation:** Follow the installation instructions carefully to prevent any accidents or malfunctions.
- **Transporting:** When transporting the chassis, ensure it is securely stored to prevent movement. Use appropriate cases or bags designed for firearm transport.
- **Shooting Range:** Always use the chassis in designated shooting ranges or approved areas. Follow all range safety rules and guidelines.
- **Weather Conditions:** Avoid using the chassis in extreme weather conditions that could affect its performance or your safety.
- **Personal Protective Equipment:** Always wear appropriate personal protective equipment (PPE), including eye and ear protection, when using firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully read the installation manual provided with the chassis.
- Ensure you have all necessary tools and components before beginning the installation.
- Follow the stepbystep instructions to install the chassis onto your firearm.
- Doublecheck all screws and fittings to ensure everything is secure before using the chassis.

### 2. Usage:

- Familiarize yourself with the operation of the chassis and any additional features it may have.
- Practice loading and unloading your firearm in a safe environment before taking it to the field.
- Always keep the muzzle pointed in a safe direction when handling the firearm.
- Engage the safety mechanism of your firearm when not in use.

### 3. Maintenance:

- Regularly clean and maintain the chassis according to the manufacturer's recommendations.
- Check for any loose parts or signs of wear and address them immediately.

## **Disposal Instructions**

- Dispose of the LSS Gen3 Kit LA MDT Chassis and any associated materials in accordance with local regulations.
- Do not dispose of firearms or chassis components in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or usage of the LSS Gen3 Kit LA MDT Chassis, please contact your local dealer or manufacturer's support service. Ensure you have the product details handy for a more efficient response.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your LSS Gen3 Kit LA MDT Chassis. Always prioritize safety and responsible handling of your equipment. Thank you for your attention to these important guidelines.
