

LSS Gen3 Kit LA - MDT Chassis - LSS Gen3 System - Howa 1500 - LA - RH - Competitor - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

If you're building a match rifle and want to skip the guesswork, the MDT LSS GEN3 Competition Kit is your solution. It takes the most modular rifle chassis system on the market and tunes it for one thing: winning competitions.

No part picking. No mismatched accessories. Just a rock-solid, competition-ready rifle foundation—straight out of the box. Every component in this kit is hand-selected to give you the edge in PRS, NRL, and precision rifle matches. It's not just modular—it's optimized.

The flat, wide Competition Forend with an integrated ARCA rail makes running barricades automatic. Lock in your tripod, clamp your bipod, and go. This isn't a compromise. You get the same rock-solid fitment and zero-retention that the GEN3 is known for—with competition-grade parts pre-installed.

Already a beast, yet still fully modular. Swap the grip. Switch the stock. Add weights, bridges, or accessories. Make it yours.

LSS Gen3 Kit LA MDT Chassis Safety Instruction Guide

Introduction

Thank you for choosing the LSS Gen3 Kit LA MDT Chassis for your rifle. This product is designed for competitive shooting and offers a modular and customizable platform to enhance your shooting experience. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding the use of firearms and accessories.
- Always treat your firearm and all associated equipment as if they are loaded.
- Keep your firearm pointed in a safe direction at all times.
- Store your firearm and accessories in a secure location, out of reach of unauthorized users, especially children.
- Regularly inspect your equipment for any signs of wear or damage before each use.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Be aware of your surroundings and ensure a safe shooting environment before engaging in any shooting activities.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended specifications for the use of the chassis.
- Ensure that all components are properly secured before use.
- Be cautious when swapping components such as grips, stocks, or adding accessories; ensure that all parts are compatible and properly installed.
- If you experience any malfunctions or issues with the equipment, cease use immediately and consult a qualified professional.
- Avoid using the product for purposes other than those intended by the manufacturer.

Instructions for Installation and Usage

1. Unboxing the Kit

- Carefully remove the LSS Gen3 Kit from its packaging.
- Inspect all components for any visible damage or defects.

2. Installation of the Chassis

- Remove the action from your Howa 1500 rifle according to the manufacturer's instructions.
- Position the action into the LSS Gen3 Chassis, ensuring a snug fit.
- Secure the action using the provided screws and tools, following the torque specifications outlined in the product manual.

3. Adjusting the Forend and Stock

- Adjust the Competition Forend to your desired position. Ensure that it is locked in place before use.
- Customize the stock to fit your shooting style and comfort. Adjust the length of pull and cheek riser as needed.

4. Adding Accessories

- Attach any accessories, such as bipods or tripods, to the integrated ARCA rail. Ensure that they are securely fastened.
- If adding weights or bridges, follow the manufacturer's guidelines for installation.

5. Final Inspection

- Before use, doublecheck all components to ensure they are properly installed and secured.
- Conduct a function check to ensure smooth operation of the chassis and rifle.

Disposal Instructions

- Dispose of packaging materials in accordance with local waste management regulations.
- If the product reaches the end of its life cycle, dispose of it in a manner that complies with local environmental guidelines. Consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the LSS Gen3 Kit LA MDT Chassis, please refer to the manufacturer's website or contact their customer support team for assistance. Ensure to have your product details handy for quicker service.

By following these safety instructions, you can ensure a safe and enjoyable experience with your LSS Gen3 Kit LA MDT Chassis. Thank you for prioritizing safety in your shooting activities.
