# Safety Instructions for Marlin 1895 Lok Lever End Cap Pistol Grip Stock Set

## Introduction

Thank you for choosing the Marlin 1895 Lok Lever End Cap Pistol Grip Stock Set. This product is designed to enhance the performance and ergonomics of your Marlin rifle. It is essential to follow safety instructions to ensure safe handling and usage. This guide provides important safety information, installation instructions, and disposal guidelines in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always handle firearms with care and respect. Treat every firearm as if it is loaded.
- Ensure that the rifle is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store firearms and ammunition in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for any signs of damage or wear.
- Do not modify the product or use it in a manner not intended by the manufacturer.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- If you are unfamiliar with firearm operation, seek instruction from a qualified professional.

## Specific Safety Precautions for Use

- Ensure that the stock set is compatible with your specific model (Marlin 1895, 1894, 336AAS) before installation.
- Do not use the stock set on barrel band models (3030 Win, 35 Rem) or any incompatible models.
- Verify that all components are securely installed before using the firearm.
- Do not exceed the maximum length of pull of 12.5 inches (approx. 31.75 cm) when adjusting the stock.
- Use only the recommended accessories and attachments designed for MLOK slots.
- Always wear appropriate eye and ear protection when operating your firearm.

## Instructions for Installation and Usage

### Installation

1. **Gather Tools and Materials:** Ensure you have all necessary tools and the included hardware for installation.
2. **Remove Existing Stock:** Follow your firearm's manual to safely remove the existing stock.
3. **Attach Ranger Point MLOK Handguard:**
  - Align the handguard with the mounting points on the rifle.
  - Securely fasten using the provided hardware.
4. **Install Ranger Point Adjustable Butt Stock:**
  - Slide the adjustable butt stock onto the rifle's buffer tube.
  - Adjust the comb height and butt plate as needed for comfort.
  - Ensure the stock is locked in place before use.
5. **Final Inspection:** Check all connections and ensure that everything is tight and secure.

### Usage

- Once installed, familiarize yourself with the adjustments available on the stock set.
- Adjust the cheek riser and butt plate to ensure a comfortable shooting position.
- Practice safe handling and operation as outlined in the general safety guidelines.

## **Disposal Instructions**

- Dispose of packaging materials responsibly by recycling where possible.
- If the product reaches the end of its life, dispose of it in accordance with local regulations for metal and plastic waste.
- Ensure that all components are removed from the firearm before disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the Marlin 1895 Lok Lever End Cap Pistol Grip Stock Set, please refer to your local dealer or manufacturer for support and assistance.

## **Conclusion**

Following these safety instructions will help ensure a safe and enjoyable experience with your Marlin 1895 Lok Lever End Cap Pistol Grip Stock Set. Always prioritize safety and responsibility when handling firearms and related accessories. Thank you for your attention to these important guidelines.
