# Costa Marlin 1894 Straight Grip Stock Set Safety Instructions

## Introduction

Thank you for choosing the Costa Marlin 1894 Straight Grip Stock Set. This product is designed to enhance your Marlin rifle's performance while ensuring your safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

## General Safety Guidelines

- Ensure the product is compatible with your Marlin rifle model before installation.
- Always handle firearms safely and responsibly.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any wear or damage to the stock set and replace if necessary.
- Follow all local laws and regulations regarding firearm modifications and accessories.
- Report any unsafe products or incidents related to this product to the appropriate authorities.

## Specific Safety Precautions for Use

- Use the stock set only with Marlin rifles that have straight grip butt stocks and tenonstyle forearms.
- Do not use the product with pistol grip or barrel band forearms, as this may cause instability or accidents.
- Ensure that the recoil pad is properly installed and secure before use.
- Always check that the mounting screws and tenon are tightened properly before each use.
- Avoid using the stock set in extreme weather conditions without proper care, as prolonged exposure could affect materials.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction before beginning installation.
- Remove the existing stock from your Marlin rifle by unscrewing the mounting screws.
- Align the new Costa Marlin stock set with the rifle's tenon.
- Insert the new tenon and secure it with the provided screws. Ensure all screws are tightened securely.
- Attach the adjustable butt stock and ensure it is locked in place.
- Install the handguard by securing it to the rifle's forearm area using the MLOK slots.
- Check that the QD sling swivel holes and traditional sling stud hole are accessible and functional.

### 2. Usage:

- Adjust the LengthofPull (LOP) using the provided spacers to fit your personal preference.
- Adjust the cheek riser to ensure proper sight alignment.
- Always use the stock set in conjunction with proper shooting techniques and safety practices.
- After use, clean and maintain the stock set to ensure longevity and performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations and environmental guidelines.
- If the product is damaged or no longer usable, do not attempt to repair it. Instead, recycle or dispose of it responsibly.
- For information on recycling materials like aluminum, check with local waste management authorities.
