# Safety Instruction Guide for Gen 2: Henry Lok Aluminum Handguard Rail Load Port and Henry MLOK Straight Grip Lever Stock Set (MOSS GREEN)

## Introduction

Thank you for choosing the Gen 2: Henry Lok Aluminum Handguard Rail Load Port and Henry MLOK Straight Grip Lever Stock Set. This guide provides essential safety instructions to ensure the safe usage and installation of your product. Please read this manual carefully before use to understand the safety precautions and installation procedures.

## General Safety Guidelines

- Ensure that the product is compatible with your specific Henry rifle model. This product does not fit Henry rifles with a pistol grip, Rimfire .22/.17, Golden Boy, brass receivers, shotguns, Long Ranger, or Homesteader models.
- Always inspect the product for any signs of damage or wear before installation and use.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- Use the product only for its intended purpose as specified in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Installation Precautions:

- Ensure that the firearm is unloaded before beginning installation.
- Use proper tools and follow the installation instructions precisely to avoid injury or damage.
- Do not force any components during installation; if parts do not fit, consult a professional.

### • Usage Precautions:

- Always handle your firearm with care and follow the basic rules of firearm safety.
- Ensure that the handguard and stock are securely attached before use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the firearm in adverse weather conditions that could affect performance or safety.

### • Maintenance Precautions:

- Regularly check the handguard and stock for signs of wear or damage.
- Clean the product according to the manufacturer's instructions to maintain functionality and safety.
- Replace any damaged parts immediately to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation of the Handguard:

- Ensure the firearm is unloaded.

- Remove the existing handguard by unscrewing any retaining screws.
- Align the Ranger Point MLOK Handguard with the mounting points on the rifle.
- Secure the handguard using the provided screws, ensuring a tight fit.
- Check for stability and ensure there is no movement.

## **2. Installation of the Adjustable Butt Stock:**

- Remove the existing butt stock by unscrewing any retaining screws.
- Align the Ranger Point Adjustable Butt Stock with the mounting point on the rifle.
- Secure the butt stock using the provided screws, ensuring a tight fit.
- Adjust the comb height and length of pull as needed for comfort and proper fit.

## **3. Usage:**

- Once installed, familiarize yourself with the new features of your firearm.
- Practice safe handling and operation according to standard firearm safety protocols.
- Use the MLOK accessory panel for additional accessories as required.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, ensure it is rendered inoperable to prevent misuse.
- Recycle materials where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the product, please refer to the manufacturer's official website or customer support channels. Ensure you have the product details ready for efficient assistance.

This safety instruction guide is designed to help you use the Gen 2: Henry Lok Aluminum Handguard Rail Load Port and Henry MLOK Straight Grip Lever Stock Set safely and effectively. Please keep this guide for future reference and ensure that all users are aware of the safety instructions. Thank you for your attention to safety.
