# Marlin Lever Pistol Grip Stock Set Safety Instructions

## Introduction

Thank you for choosing the Marlin Lever Pistol Grip Stock Set. This product is designed for safety and performance. Please read this safety instruction guide thoroughly to ensure correct installation and usage, and to understand how to maintain the safety of yourself and others.

## General Safety Guidelines

- Always handle firearms and firearm accessories responsibly and with care.
- Ensure that this product is compatible with your firearm model before installation.
- Keep the product out of reach of children and unauthorized users.
- Inspect the product for any damage or wear before use. Do not use if damaged.
- Use the product only for its intended purpose as specified in these instructions.
- Store the product in a secure location when not in use.
- Follow all local laws and regulations regarding firearm accessories and usage.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attaching or detaching the stock set.
- Do not use the product if it shows signs of wear or damage.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly check the tightness of screws and mounting hardware to ensure secure attachment.
- Avoid using excessive force during installation to prevent damage to the product or firearm.
- If you experience any malfunctions or issues while using the product, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### Installation Instructions

#### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather all necessary tools and installation hardware included with the product.

#### 2. Removing the Old Stock

- Remove the existing stock from the firearm by loosening the screws or bolts that secure it in place.
- Carefully detach the old stock and set it aside.

#### 3. Installing the Ranger Point Gen 2 Handguard (End Cap)

- Align the handguard with the mounting points on the firearm.
- Secure the handguard using the provided tenon and screws.
- Ensure that the handguard is firmly attached and does not move.

#### 4. Installing the Ranger Point Pistol Grip Stock

- Attach the pistol grip stock to the firearm using the provided mounting hardware.
- Adjust the cheek height and length of pull as desired, using the spacers provided.

- Ensure that all screws are tightened securely.

## **5. Final Inspection**

- Doublecheck all connections and ensure that the stock set is securely attached.
- Perform a function check to ensure the firearm operates correctly with the new stock set.

## **Usage Instructions**

- Once installed, familiarize yourself with the features of the stock set, including the adjustable cheek height and the MLOK accessory slots.
- Practice safe handling and storage of your firearm with the new stock set attached.
- Regularly clean and maintain the stock set to ensure longevity and performance.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Check for any recycling programs in your area that accept firearm accessories.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Marlin Lever Pistol Grip Stock Set, please refer to the manufacturer's contact information provided in the product packaging or user manual. Always ensure that you are contacting an authorized representative for assistance.

## **Conclusion**

By following these safety instructions, you can ensure the safe and effective use of your Marlin Lever Pistol Grip Stock Set. Always prioritize safety and compliance with all applicable laws and regulations. Thank you for your attention to these important safety guidelines.
