# Comet Muzzle Brake Safety Instruction Guide

## Introduction

Thank you for purchasing the Comet Muzzle Brake designed specifically for the Rossi 92, Citadel Levtac 92, and Heritage rifles in .357 Magnum and .38 Special calibers. This guide provides essential safety instructions, installation guidelines, and contact information to ensure the safe and effective use of this product.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the muzzle brake is compatible with your firearm model and caliber.
- Use the muzzle brake only for its intended purpose.
- Keep the muzzle brake and firearm out of reach of children and unauthorized users.
- Regularly inspect the muzzle brake for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm modifications.
- Always wear appropriate eye and ear protection when shooting.

## Specific Safety Precautions for Use

- **Recoil Management:** The muzzle brake reduces recoil by approximately 25%. However, always practice safe handling and shooting techniques.
- **Muzzle Flash:** The muzzle brake also reduces muzzle flash, enhancing shooting stability. Ensure you are in a safe shooting environment.
- **Installation Safety:** Ensure the firearm is unloaded before installing the muzzle brake. Follow the installation instructions carefully to avoid any accidents.
- **Shooting Environment:** Use the muzzle brake in a wellventilated area to minimize exposure to gunpowder residue and fumes.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a wrench and blue Loctite.

### 2. Installation:

- Remove any existing muzzle device from your firearm.
- Clean the muzzle threads to ensure a secure fit.
- Align the Comet Muzzle Brake with the threads of the firearm.
- Handtighten the muzzle brake onto the threads.
- Apply a small amount of blue Loctite to the threads for added security.
- Tighten the muzzle brake securely, but do not overtorque.

### 3. Usage:

- Once installed, check that the muzzle brake is secure before shooting.
- Follow all standard firearm safety practices while using your firearm with the muzzle brake installed.
- After shooting, clean the muzzle brake as part of your regular firearm maintenance.

## **Disposal Instructions**

- Dispose of the Comet Muzzle Brake in accordance with local regulations.
- If the muzzle brake is damaged or no longer in use, do not leave it accessible to children or unauthorized users.
- Consider recycling materials where possible.

## **Contact Information for Further Support**

For safety inquiries or additional information regarding the Comet Muzzle Brake, please refer to the manufacturer's contact details provided with your product.

By following these guidelines, you can ensure a safe and enjoyable experience with your Comet Muzzle Brake. Always prioritize safety and compliance with local laws while handling firearms and accessories.
