

# Marlin T Rex Lever Takedown Screw - Marlin T-Rex Lever Takedown Screw (stainless)

[Rifle Parts](#) > [Receiver Parts](#) > [Takedown Parts](#) > [Screws](#)

Oversized, Henry lever-action quick take down screws allow for easy lever removal for a thorough cleaning, plus makes it easy to swap out standard levers for larger loop levers for gloved hands or cowboy action shooting. Replaces the original, factory lever screw without alteration. Made of 4140 chromoly steel with a black nitride coating. Fits Henry H009 30-30, H010 45-70, H012 Henry Big Boy Steels, H014 Long Ranger Series (.243, .308, etc), H018 .410, H024 Side Loading (.30-30 Win, .38-55 Win, .35 Rem)

# Safety Instruction Guide for Marlin T Rex Lever Takedown Screw

## Introduction

Thank you for choosing the Marlin T Rex Lever Takedown Screw. This product is designed for easy lever removal in Henry leveraction rifles, allowing for thorough cleaning and customization. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Ensure that the product is used only as intended and in accordance with the manufacturer's instructions.
- Be aware of potential hazards associated with improper installation and use of the takedown screw.
- Regularly inspect the product for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any accidents or unsafe situations, report them to the relevant authorities.

## Specific Safety Precautions for Use

- Always wear appropriate eye protection when installing or removing the takedown screw.
- Use tools that are in good condition and appropriate for the task to avoid accidents.
- Do not apply excessive force when tightening or loosening the screw to prevent stripping or damage.
- Ensure the firearm is unloaded and the safety is engaged before attempting to install or remove the screw.
- If you are unfamiliar with firearm maintenance, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a screwdriver that fits the screw head.

### 2. Installation

- Locate the original factory lever screw on your Henry leveraction rifle.
- Using the appropriate screwdriver, carefully remove the original screw.
- Take the Marlin T Rex Lever Takedown Screw and align it with the lever assembly.
- Insert the screw into the hole and tighten it gently until secure. Avoid overtightening.

### 3. Usage

- To remove the lever for cleaning or maintenance, simply unscrew the Marlin T Rex Lever Takedown Screw.
- Follow your firearm's cleaning and maintenance guidelines to ensure proper care.

### 4. PostInstallation Check

- After installation, check that the lever operates smoothly and securely.
- Periodically check the tightness of the takedown screw during routine maintenance.

## **Disposal Instructions**

- Dispose of any damaged or worn screws in accordance with local regulations.
- Recycle packaging materials where applicable, following local recycling guidelines.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the Marlin T Rex Lever Takedown Screw, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
