

Lok 444 Cartridge Quiver (Six Rounds) - M-LOK 444 Cartridge Quiver Six Rounds

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

The M-LOK cartridge holder keeps six cartridges ready to hand for quick reloading. It complements our popular M-LOK forends or buttstocks (also compatible with any other M-LOK buttstock or forend on the market). Fans of Ranger Point's innovative parts for bolt action rifles will recognise the same thoughtful approach to product design in this sleek, rugged and practical cartridge holder. From its proven, proprietary O-ring retention system to its intelligently shaped, protective bullet tip cups, this cartridge holder was designed by bolt action rifle enthusiasts for bolt action rifle enthusiasts.

Safety Instruction Guide for Lok 444 Cartridge Quiver

Introduction

Thank you for choosing the Lok 444 Cartridge Quiver. This product is designed to safely hold six rounds of .410 Shot Shell ammunition, ensuring quick access for reloading. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always handle ammunition responsibly and in accordance with local laws and regulations.
- Keep the cartridge holder out of reach of children and unauthorized users.
- Inspect the cartridge holder regularly for any signs of wear or damage.
- Do not use the cartridge holder if it shows signs of damage or if the Oring retention system is compromised.
- Store the cartridge holder in a cool, dry place when not in use.

Specific Safety Precautions for Use

- Ensure that the cartridge holder is securely attached to your firearm before use.
- Only use .410 Shot Shell ammunition with this cartridge holder. Other calibers, such as 35 Rem, are not compatible.
- Avoid overloading the cartridge holder; it is designed to hold a maximum of six rounds.
- Do not attempt to modify or alter the cartridge holder in any way.
- Be aware of your surroundings and ensure that you are in a safe environment when reloading.

Instructions for Installation and Usage

1. Installation:

- Locate two neighbouring MLOK slots on your forend or buttstock.
- Align the MLOK attachment points of the cartridge holder with the slots.
- Use the appropriate hardware to secure the cartridge holder in place. Ensure it is tightly fastened.

2. Loading Cartridges:

- Before loading, ensure that the cartridge holder is clean and free of debris.
- Insert the .410 Shot Shell cartridges into the holder, ensuring that they are seated securely in the Oring retention system.
- Check that the cartridges are held firmly in place and that the protective bullet tip cups are properly aligned.

3. Using the Cartridge Quiver:

- When ready to reload, grasp the cartridge holder firmly.
- Remove the desired cartridge by pulling it straight out of the holder.
- Reload your firearm following the manufacturer's instructions for your specific firearm model.

4. PostUse Care:

- After use, inspect the cartridge holder for any signs of wear or damage.
- Clean the cartridge holder with a soft cloth to remove any dirt or debris.

- Store the cartridge holder in a safe location, away from children and unauthorized users.

Disposal Instructions

- Dispose of the cartridge holder in accordance with local regulations.
- If the product is damaged or no longer usable, consider recycling materials where applicable.
- Do not dispose of the cartridge holder in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Lok 444 Cartridge Quiver, please reach out to the manufacturer or your local dealer.

By following these safety instructions, you can ensure a safe and effective experience with the Lok 444 Cartridge Quiver. Always prioritize safety and responsible handling of ammunition. Thank you for your attention to these guidelines.
