

# Lok 444 Cartridge Quiver (Six Rounds) - M-LOK 35 Rem Cartridge Quiver Six Rounds

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

The M-LOK cartridge holder keeps six cartridges ready to hand for quick reloading. It complements our popular M-LOK forends or buttstocks (also compatible with any other M-LOK buttstock or forend on the market). Fans of Ranger Point's innovative parts for bolt action rifles will recognise the same thoughtful approach to product design in this sleek, rugged and practical cartridge holder. From its proven, proprietary O-ring retention system to its intelligently shaped, protective bullet tip cups, this cartridge holder was designed by bolt action rifle enthusiasts for bolt action rifle enthusiasts.

# Lok 444 Cartridge Quiver Safety Instructions

## Introduction

Thank you for choosing the Lok 444 Cartridge Quiver. This product is designed to securely hold six rounds of .410 Shot Shell ammunition, ensuring quick access for reloading. Please read this safety instruction guide carefully to ensure safe use and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the cartridge holder is used only with compatible ammunition. The Lok 444 is designed for .410 Shot Shells and does not accommodate 35 Rem cartridges.
- Always inspect the cartridge holder for any signs of damage before use. If any damage is found, do not use the product.
- Store the quiver in a safe, dry place away from direct sunlight and extreme temperatures to maintain its integrity.
- Keep this product out of reach of children and unauthorized users.

## Specific Safety Precautions for Use

- Always handle ammunition with care and follow all manufacturer guidelines for safe handling.
- Ensure that the O-ring retention system is functioning properly before loading cartridges. This system is designed to hold cartridges securely in place.
- Do not attempt to modify or alter the quiver in any way. Modifications can compromise safety and performance.
- When using the quiver, ensure that it is securely attached to your firearm or accessory to prevent accidental dislodgement.

## Instructions for Installation and Usage

### 1. Installation:

- Identify two neighbouring MLOK slots on your forend or buttstock where you wish to attach the cartridge holder.
- Align the Lok 444 Cartridge Quiver with the MLOK slots.
- Use the provided hardware to secure the quiver in place, ensuring it is tightly fastened.

### 2. Loading Cartridges:

- Ensure the O-ring retention system is clean and free of debris.
- Carefully insert cartridges into the holder, ensuring they are seated properly.
- Confirm that the cartridges are held securely by the O-ring system.

### 3. Using the Quiver:

- When ready to use, retrieve cartridges from the quiver as needed.
- Always maintain awareness of your surroundings and ensure safe firearm handling practices are followed.

## Disposal Instructions

- Dispose of the Lok 444 Cartridge Quiver in accordance with local regulations related to electronic waste and materials.
- If the product is no longer usable, consider recycling components where possible to minimize

environmental impact.

## **Contact Information for Further Support**

For any safety inquiries or further support, please refer to the manufacturer's contact details included on the product packaging or visit the manufacturer's website.

Thank you for prioritizing safety and for your responsible use of the Lok 444 Cartridge Quiver.
