

Lok 444 Cartridge Quiver (Six Rounds) - M-LOK 45 Colt Cartridge Quiver Six Rounds

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

The M-LOK cartridge holder keeps six cartridges ready to hand for quick reloading. It complements our popular M-LOK forends or buttstocks (also compatible with any other M-LOK buttstock or forend on the market). Fans of Ranger Point's innovative parts for bolt action rifles will recognise the same thoughtful approach to product design in this sleek, rugged and practical cartridge holder. From its proven, proprietary O-ring retention system to its intelligently shaped, protective bullet tip cups, this cartridge holder was designed by bolt action rifle enthusiasts for bolt action rifle enthusiasts.

Lok 444 Cartridge Quiver Safety Instruction Guide

Introduction

Thank you for choosing the Lok 444 Cartridge Quiver. This product is designed to securely hold six rounds of .410 Shot Shell ammunition, ensuring quick access for reloading. It is essential to follow the safety instructions outlined in this guide to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always handle ammunition with care and follow all safety protocols related to firearms and ammunition.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the quiver for any signs of wear or damage.
- In case of any issues, do not attempt to repair the product yourself; seek professional assistance.

Specific Safety Precautions for Use

- Only use the Lok 444 Cartridge Quiver with .410 Shot Shell ammunition. Do not attempt to use it with other calibers, such as 35 Rem.
- Ensure that cartridges are properly seated in the Oring retention system to prevent accidental dislodging.
- Do not expose the cartridge holder to extreme temperatures or corrosive environments, as this may affect its durability.
- Always check that the quiver is securely attached to your firearm before use.
- If you notice any damage or malfunction, discontinue use immediately and contact a professional.

Instructions for Installation and Usage

Installation

1. Locate two neighbouring MLOK slots on your firearm.
2. Align the Lok 444 Cartridge Quiver with the MLOK slots.
3. Securely attach the quiver to the MLOK slots using the provided attachment points. Ensure that it is firmly in place.

Usage

1. Load six rounds of .410 Shot Shell ammunition into the cartridge holder.
2. Make sure each cartridge is properly seated in the Oring retention system.
3. When ready to reload, simply remove the desired cartridge from the holder.
4. After use, store the quiver in a safe place away from children and unauthorized users.

Disposal Instructions

- Dispose of the Lok 444 Cartridge Quiver in accordance with local regulations regarding aluminum products.
- If the quiver is damaged beyond repair, ensure that it is not left in a place where it could pose a safety risk to others.
- Recycle the product if possible, following your local recycling guidelines.

Contact Information for Further Support

For any inquiries or issues related to the Lok 444 Cartridge Quiver, please reach out to the manufacturer or your

point of purchase. Always ensure that you have the product's details ready for assistance.

By adhering to these safety instructions, you can enjoy the benefits of the Lok 444 Cartridge Quiver while ensuring your safety and the safety of those around you. Thank you for your attention to these important guidelines.
