

Lok 444 Cartridge Quiver (Six Rounds) - M-LOK 44 Mag Cartridge Quiver Six Rounds

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

The M-LOK cartridge holder keeps six cartridges ready to hand for quick reloading. It complements our popular M-LOK forends or buttstocks (also compatible with any other M-LOK buttstock or forend on the market). Fans of Ranger Point's innovative parts for bolt action rifles will recognise the same thoughtful approach to product design in this sleek, rugged and practical cartridge holder. From its proven, proprietary O-ring retention system to its intelligently shaped, protective bullet tip cups, this cartridge holder was designed by bolt action rifle enthusiasts for bolt action rifle enthusiasts.

Lok 444 Cartridge Quiver Safety Instruction Guide

Introduction

Thank you for choosing the Lok 444 Cartridge Quiver. This product is designed to hold six rounds of .410 Shot Shell ammunition securely, providing quick access for reloading. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the cartridge holder is used only with compatible ammunition.
- Always handle ammunition and firearms with care and follow all safety protocols.
- Keep the cartridge holder out of reach of children and vulnerable individuals.
- Inspect the cartridge holder regularly for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use .410 Shot Shell ammunition with the Lok 444 Cartridge Quiver. It is not compatible with 35 Rem ammunition.
- Ensure that the Oring retention system is functioning properly before use.
- Do not attempt to modify or alter the cartridge holder in any way.
- When loading cartridges, ensure they are securely held in place by the Oring retention system.
- Avoid exposing the cartridge holder to extreme temperatures or harsh chemicals that could damage it.
- Always store the cartridge holder in a dry and safe environment.

Instructions for Installation and Usage

1. Installation:

- Identify two neighbouring MLOK slots on your forend or buttstock.
- Align the cartridge holder with the MLOK slots.
- Secure the cartridge holder by tightening the MLOK attachment points. Ensure it is firmly in place before use.

2. Usage:

- Load the .410 Shot Shell cartridges into the holder, ensuring they are seated properly within the ball tip cups.
- Check that the Oring retention system is holding the cartridges securely.
- When ready to reload, remove the cartridges from the holder and replace them with new ones as needed.
- After use, inspect the cartridge holder for any damage or wear.

Disposal Instructions

- Dispose of the cartridge holder in accordance with local regulations for aluminum products.
- If the cartridge holder is damaged or no longer in use, ensure it is recycled properly to minimize environmental impact.

Contact Information for Further Support

For any inquiries or concerns regarding the Lok 444 Cartridge Quiver, please refer to the manufacturer's contact information provided with your product packaging or on the official website.
