

# Lok 444 Cartridge Quiver (Six Rounds) - M-LOK 30-30 Win Cartridge Quiver Six Rounds

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Shotgun Shell Holders](#)

The M-LOK cartridge holder keeps six cartridges ready to hand for quick reloading. It complements our popular M-LOK forends or buttstocks (also compatible with any other M-LOK buttstock or forend on the market). Fans of Ranger Point's innovative parts for bolt action rifles will recognise the same thoughtful approach to product design in this sleek, rugged and practical cartridge holder. From its proven, proprietary O-ring retention system to its intelligently shaped, protective bullet tip cups, this cartridge holder was designed by bolt action rifle enthusiasts for bolt action rifle enthusiasts.

# Lok 444 Cartridge Quiver Safety Instruction Guide

## Introduction

Thank you for choosing the Lok 444 Cartridge Quiver. This product is designed to hold six rounds of .410 Shot Shell ammunition securely, ensuring quick access for reloading. As with any product, it is essential to follow safety guidelines to maximize your safety and enjoyment. This guide provides important safety instructions, installation tips, and disposal information in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the quiver is used only for its intended purpose of holding .410 Shot Shell ammunition.
- Regularly inspect the quiver for damage or wear. If any issues are found, discontinue use immediately.
- Keep the quiver out of reach of children and unauthorized users.
- Use the quiver in accordance with all local laws and regulations regarding ammunition storage and handling.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always handle ammunition with care and store it in a safe location.
- When loading or unloading the quiver, ensure the firearm is pointed in a safe direction.
- Avoid exposure to extreme temperatures or moisture, as this can affect the integrity of the quiver and ammunition.
- Do not attempt to modify the quiver or its components; this may compromise safety.
- If you experience difficulty removing or inserting cartridges, do not force them. Inspect the quiver for obstructions.

## Instructions for Installation and Usage

### 1. Installation:

- Identify a compatible MLOK forend or buttstock on your firearm.
- Position the quiver so that the two MLOK attachment points align with the desired slots.
- Securely attach the quiver using the provided hardware, ensuring it is firmly in place.

### 2. Usage:

- Load the quiver with up to six rounds of .410 Shot Shell ammunition.
- Ensure that the cartridges are seated properly within the O-ring retention system.
- To remove a cartridge, grasp the quiver securely and gently pull the cartridge out.
- When reloading, ensure that the firearm is in a safe condition and pointed in a safe direction.

## Disposal Instructions

- Dispose of the quiver according to local regulations regarding plastic and metal waste.
- If the quiver is damaged beyond repair, ensure that it is disposed of in a way that prevents accidental use.
- Do not burn the quiver, as it may release harmful substances.

## Contact Information for Further Support

For any questions or concerns regarding the Lok 444 Cartridge Quiver, please refer to the manufacturer or the

retailer from whom you purchased the product. They can provide additional support and information regarding safety and usage.

Thank you for taking the time to read this safety instruction guide. We hope you enjoy using your Lok 444 Cartridge Quiver safely and responsibly.
