Marlin Butt Stock Takedown Screw Safety Instruction Guide

Introduction

Thank you for choosing the Marlin Butt Stock Takedown Screw. This product is designed to enhance the functionality of your Marlin leveraction rifle by allowing for quick disassembly and transport. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always handle firearms and accessories with care and responsibility.
- Ensure that the firearm is unloaded before attempting to install or remove the takedown screw.
- Store the takedown screw in a safe place, out of reach of children and unauthorized users.
- Be aware of your surroundings and follow all local laws and regulations regarding firearm use and transport.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Do not use the takedown screw if it appears damaged or worn.
- Always use a coin or appropriate tool to avoid injury when removing or installing the screw.
- Ensure that the rifle is pointed in a safe direction during installation and removal.
- Keep fingers and other body parts clear of the screw area when tightening or loosening.
- If you are unfamiliar with firearm maintenance, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather a coin or flat tool for use in removing or installing the takedown screw.

2. Installation

- Locate the existing takedown screw on the buttstock of your Marlin rifle.
- Using the coin, turn the screw counterclockwise to remove it from the rifle.
- Align the new Marlin Butt Stock Takedown Screw with the screw hole.
- Use the coin to turn the screw clockwise until it is securely fastened. Do not overtighten.

3. Usage

- To remove the buttstock, repeat the removal process using the coin to turn the screw counterclockwise.
- Store the buttstock and screw in a safe location when not in use.

4. Maintenance

- Regularly check the takedown screw for signs of wear or damage.
- Replace the screw if it shows any signs of deterioration.

Disposal Instructions

- Dispose of any damaged or worn takedown screws in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, consult local waste management guidelines for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the Marlin Butt Stock Takedown Screw, please consult the manufacturer's website or customer service resources. Always ensure that you have the latest safety information and product updates.

Thank you for your attention to these safety instructions. Enjoy your Marlin leveraction rifle responsibly and safely!
