

XRS Complete Chassis System Savage - XRS - Remington 700 Long Action - CIP (3.850) - RH - BLK

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

XRS is not just a chassis, it is a complete stock with nothing else to buy, except AICS -type magazine(s) for your action and caliber. No AR parts needed. A more traditional stock design, but still adjustable with included spacers and grip panels. Drop-in, no bedding needed.

MDT XRS Complete Chassis System Safety Instruction Guide

Introduction

Thank you for choosing the MDT XRS Complete Chassis System for your Remington 700 Long Action rifle. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- Ensure that you read and understand all safety instructions before using the chassis system.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep firearms out of reach of children and unauthorized users.
- Use the chassis system only with compatible firearms and accessories.
- Inspect the chassis system regularly for any signs of wear or damage.
- Do not modify the chassis system in any way that could compromise its safety or performance.
- Store the chassis system in a secure location when not in use.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling firearms.
- Ensure your workspace is clean and free of distractions when installing or using the chassis system.
- Follow all local laws and regulations regarding firearm ownership and use.
- Be aware of your surroundings when handling firearms to avoid accidents.
- Do not use the chassis system in wet or damp conditions to prevent corrosion.
- If you experience any malfunctions or issues, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. Prepare Your Workspace

- Ensure that you have a clean, flat surface to work on.
- Gather all necessary tools and components.

2. Remove the Action from the Firearm

- Ensure the firearm is unloaded.
- Follow the manufacturer's instructions to safely remove the action from the stock.

3. Install the Chassis

- Place the action into the MDT XRS chassis, aligning it properly.
- Secure the action using the provided screws, ensuring they are tightened to the manufacturer's specifications.

4. Adjust the Stock

- Use the included spacers to adjust the length of pull as needed.
- Attach grip panels according to your comfort preference.

5. Install the AICStyle Magazine

- Insert the AICStype magazine compatible with your caliber and action.
- Ensure the magazine is securely in place before use.

Usage

- Always ensure your firearm is pointed in a safe direction when loading or unloading.
- Check that the chassis system is securely attached before each use.
- Use only recommended ammunition for your firearm to prevent malfunctions.
- Regularly check for any signs of wear or damage to the chassis and replace if necessary.

Disposal Instructions

- Dispose of the chassis system in accordance with local regulations regarding metal recycling.
- Ensure that all components are disposed of in an environmentally friendly manner.
- If the chassis system is damaged beyond repair, consult local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the MDT XRS Complete Chassis System, please refer to the official MDT website or contact your local dealer for assistance.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your MDT XRS Complete Chassis System. Thank you for your commitment to safety.
