The MDT ACC Elite Forend is purpose-built for serious precision shooters who demand ultimate stability and customization. Measuring 19 inches and featuring full-length integrated ARCA with M-LOK compatibility, it supports both internal and external weights, Baker Wings, and any M-LOK accessory you need to dominate your setup.

Wider, thicker, and longer than before, the forend eliminates measurable flex to create a rock-solid shooting platform. It's drilled and tapped to accept MDT's modular co-indexing Night Vision Hood or Control Bridge, offering complete system integration. Custom-cut grip tape is included for the underside—ideal for barricade contact and bag stability.

# Safety Instruction Guide for ACC Elite Chassis MDT Chassis

## Introduction

Thank you for choosing the ACC Elite Chassis MDT Chassis for your Remington 700 rifle. This guide provides important safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the chassis for any signs of wear or damage before use.
- Always handle your rifle with care, treating it as if it is loaded.
- Store the chassis and rifle in a safe place, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm storage and handling.

## Specific Safety Precautions for Use

- **Weight Management:** When adding weights to the chassis, ensure they are securely attached to avoid shifting during use.
- **Grip and Stability:** Always maintain a firm grip on the chassis while aiming and shooting to prevent accidental slips.
- **Barricade Use:** When using the chassis on a barricade, ensure the customcut grip tape is in contact with the surface for maximum stability.
- **Night Vision Equipment:** If using the modular coindexing Night Vision Hood, ensure it is properly secured to prevent detachment during use.
- **MLOK Accessories:** Verify that all MLOK accessories are installed correctly and do not obstruct the operation of the rifle.

## Instructions for Installation and Usage

### 1. Installation of the Chassis:

- Begin by ensuring the rifle is unloaded.
- Remove the existing stock from the Remington 700 by following the manufacturer's instructions.
- Align the ACC Elite Chassis with the action of the rifle and secure it using the provided screws.  
Ensure that all screws are tightened properly.

### 2. Weight Placement:

- Determine the desired balance for your rifle by adjusting the placement of internal and external weights.
- Attach weights to the chassis as needed, ensuring they are firmly secured.

### 3. Using MLOK Accessories:

- Select the MLOK accessories you wish to use and determine their placement on the chassis.
- Follow the manufacturer's instructions for attaching MLOK accessories securely.

### 4. Adjusting the Thumb Rest:

- Adjust the MLOK thumb rest to fit your grip comfortably.

- Ensure that the thumb rest is locked in place before use.

## 5. Final Checks:

- Before using the rifle, perform a final inspection to ensure all components are secure and functioning properly.
- Practice safe handling by keeping the rifle pointed in a safe direction at all times.

## Disposal Instructions

- When disposing of the chassis or any associated components, follow local regulations regarding firearm and accessory disposal.
- If the chassis is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the chassis in regular household waste.

## Contact Information for Further Support

For any questions or concerns regarding the use of the ACC Elite Chassis MDT Chassis, please refer to the manufacturer's website or contact the customer support team directly. Ensure you have your product information available for reference.

By following these safety instructions, you can ensure a safe and enjoyable experience with your ACC Elite Chassis MDT Chassis. Thank you for your attention to safety.
