HOWA M1500 BARRELED ACTION SCOPE MOUNTS

SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the HOWA M1500 Barred Action Scope Mounts. This product is designed to provide a stable and secure platform for mounting optics on your Howa 1500 Long Action or compatible Weatherby Vanguard longaction rifles. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle firearms and related accessories with caution and care.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope mounts for any signs of wear or damage.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Before installation, ensure that the firearm is unloaded and in a safe condition.
- Do not exceed the weight limit of the scope mount as specified by the manufacturer.
- Always use compatible optics and accessories as recommended by the manufacturer.
- Avoid exposing the scope mounts to extreme temperatures or harsh chemicals that could damage the finish.
- Ensure that all screws and fasteners are tightened to the manufacturer's specifications to prevent loosening during use.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a torque wrench and appropriate screwdrivers.
- Verify that you have the correct scope mounts for your specific rifle model.

2. Installation Steps

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove any existing scope mounts or accessories from the rifle.
- Position the HOWA M1500 scope mount onto the receiver of the rifle, aligning it with the mounting holes.
- Insert the screws provided with the mount into the mounting holes.
- Using a torque wrench, tighten the screws to the manufacturer's recommended torque specifications. Refer to the product manual for specific torque values.
- Attach your scope to the mount following the manufacturer's instructions for the scope.

3. Usage

- After installation, check the alignment of the scope and ensure that it is securely mounted.
- Perform a function check of the firearm to ensure that it operates correctly with the mounted scope.
- Regularly inspect the scope mount during use to ensure that it remains secure and free from

damage.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- When disposing of the product itself, consider recycling options if available.
- If the product is damaged or no longer usable, ensure it is disposed of in a manner that prevents accidental use.

Contact Information for Further Support

For further inquiries or support regarding the HOWA M1500 Barred Action Scope Mounts, please consult the product manual or contact your local dealer. Always refer to the manufacturer's website for the most up-to-date information and resources.

By following these safety instructions, you can ensure a safe and effective experience with your HOWA M1500 Barred Action Scope Mounts. Thank you for your attention to safety and for choosing our product.
