# Safety Instruction Guide for HOWA M1500 BARRELED ACTION SCOPE MOUNTS

## Introduction

Thank you for choosing the HOWA M1500 Barreled Action Scope Mounts. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rail adapter for Howa 1500 Long Action and compatible Weatherby Vanguard longaction rifles.
- Always handle firearms and related accessories with care, following all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope mounts for any signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the scope mounts are installed correctly and securely to prevent any accidents or malfunctions.
- Do not exceed the recommended weight limit for optics mounted on the rail.
- Avoid using the product in extreme weather conditions unless it is specified as suitable.
- Always wear appropriate eye protection when using firearms equipped with optics.
- Be aware of your surroundings and ensure a safe shooting environment.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools for installation, including a torque wrench and appropriate screws.
- Ensure that the firearm is unloaded and in a safe condition before beginning installation.

### 2. Installation:

- Align the onepiece Picatinny base with the mounting points on the receiver of your Howa 1500 Long Action or compatible Weatherby Vanguard rifle.
- Securely attach the rail using the provided screws, ensuring that they are tightened to the manufacturer's specifications.
- Check for any movement or looseness in the mount after installation.

### 3. Usage:

- Once installed, mount your optic securely onto the rail, following the manufacturer's instructions for the optic.
- After mounting, confirm that the optic is properly zeroed before use.
- Regularly check the tightness of the mounts and optics, especially after extensive use.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic waste and metal recycling.

- Do not dispose of the product in regular household waste.
