# Safety Instruction Guide for Howa Varmint Barreled Action Blued Finish 6mm Creedmoor

## Introduction

Thank you for choosing the Howa Varmint Barreled Action Blued Finish in 6mm Creedmoor. This product is designed for precision shooting and requires careful handling to ensure safety. This guide provides essential safety instructions to help you use this product responsibly and in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Be aware of your surroundings and ensure there is a clear and safe backdrop for shooting.
- Store the firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the firearm for any signs of wear or damage.
- Use only the recommended ammunition for this firearm.
- Follow all local laws and regulations regarding firearm ownership and use.

## Specific Safety Precautions for Use

- Ensure the safety mechanism is engaged when not in use.
- Do not place your finger on the trigger until you are ready to shoot.
- Always wear appropriate eye and ear protection when shooting.
- Be cautious of the muzzle and avoid placing any objects in front of the firearm.
- Do not attempt to modify the firearm in any way.
- If you experience a misfire, keep the firearm pointed downrange for at least 30 seconds before attempting to open the action.
- Do not shoot at hard surfaces or water, as this can cause ricochets.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure you are in a safe environment free from distractions.
- Confirm you have all necessary tools and accessories for installation.
- Follow the manufacturer's instructions for mounting any additional components or accessories.
- Ensure that the firearm is unloaded before beginning the installation process.

### 2. Usage:

- Load the magazine with the appropriate ammunition, ensuring it is seated correctly.
- Insert the magazine into the firearm until it clicks into place.
- Check that the safety is in the "on" position before chambering a round.
- To chamber a round, pull the bolt back and release it to allow the round to enter the chamber.
- Once ready to shoot, disengage the safety and aim at your target.
- After shooting, reengage the safety before unloading the firearm.

## Disposal Instructions

- Dispose of any unused ammunition and firearm components in accordance with local regulations.
- Do not dispose of firearms or ammunition in regular trash.

- Contact local authorities or a licensed firearms dealer for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the Howa Varmint Barreled Action Blued Finish 6mm Creedmoor, please reach out to the designated EU contact point associated with this product.

## Conclusion

Your safety and the safety of others is paramount when using firearms. By following these guidelines, you can ensure a safe and enjoyable experience with your Howa Varmint Barreled Action Blued Finish. Always stay informed about safety practices and local laws regarding firearm use. Thank you for your attention to these important safety instructions.
