

Nylon Best Bore Brush, .17 Cal 3-Pack

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

The Tipton Best Nylon Bore Brush is built for serious shooters who demand fast, effective, and safe barrel cleaning. Extra-stiff bristles cut through copper fouling, stubborn carbon, and residue to significantly reduce cleaning time. Unlike standard nylon brushes, the thick bristles resist breakdown from aggressive scrubbing and harsh cleaning solvents, delivering long-lasting performance.

Designed with a non-marring brass core, this brush is 100% safe for both rifle and pistol barrels. Available in 14 sizes from .17 caliber to .50 caliber, the Tipton Best Nylon Bore Brush provides superior cleaning power across a wide range of firearms. Sold in packs of three.

Safety Instruction Guide for Tipton Best Nylon Bore Brush

Introduction

Thank you for choosing the Tipton Best Nylon Bore Brush, specifically designed for effective and safe barrel cleaning. This guide provides essential safety information and instructions to ensure the safe use of your bore brush. Please read this guide carefully before using the product to maximize safety and effectiveness.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in cleaning firearms. Always follow safety guidelines to minimize risks.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be provided. Stay informed about any product recalls.
- **Online Shopping:** When purchasing online, ensure that you buy from authorized retailers who comply with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Keep out of reach of minors.
- **EU Contact Point:** For any safety inquiries, consult the EU-based contact information provided with your product.
- **Rapid Alerts:** Check the EU Safety Gate platform for updates on product safety alerts.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - The bore brush is designed for cleaning firearms only. Misuse can lead to injury or damage.
 - Ensure the firearm is unloaded before using the bore brush to prevent accidental discharge.
- **Avoiding Hazards:**
 - Always wear safety glasses to protect your eyes from debris.
 - Use gloves if you are sensitive to cleaning solvents.
 - Store the bore brush in a safe location away from children and pets.
 - Do not use the bore brush on any surfaces other than the intended firearm barrels.

Instructions for Installation and Usage

- **Installation:**
 - The bore brush does not require installation. Simply attach it to a cleaning rod compatible with your firearm.
- **Usage Instructions:**
 - Ensure the firearm is completely unloaded.
 - Attach the nylon bore brush to the cleaning rod.
 - Insert the brush into the barrel from the chamber end, if applicable.
 - Use a backandforth motion to clean the barrel, ensuring to apply moderate pressure.
 - For best results, use the brush with a suitable cleaning solvent.
 - After cleaning, remove the brush and clean the barrel with a dry patch to remove any residue.
 - Store the bore brush in a dry place after use.

Disposal Instructions

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it is damaged or worn out.
- Check with local waste management for proper disposal methods for cleaning tools.

Contact Information for Further Support

For further assistance, please refer to the contact information provided with your product packaging. If you have any safety concerns or inquiries, consult the appropriate authorities or your retailer.

Thank you for using the Tipton Best Nylon Bore Brush. Your safety is our priority.
