

## 13 Piece Nylon Best Bore Brush Set

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

The Tipton Best Nylon Bore Brushes are designed for serious shooters who need fast, effective, and safe barrel cleaning. Their extra-stiff bristles tackle copper fouling, tough carbon, and other residue, cutting cleaning time dramatically. Unlike standard nylon brushes, the thick bristles resist wear from scrubbing and harsh cleaning solvents, providing long-lasting performance. Built with a non-marring brass core, these brushes are completely safe for both rifle and pistol barrels.

# Safety Instructions for the 13 Piece Nylon Best Bore Brush Set

## Introduction

Thank you for choosing the 13 Piece Nylon Best Bore Brush Set by Tipton. This product is designed for serious shooters who require effective and safe barrel cleaning. To ensure your safety and the optimal performance of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always use the bore brushes in accordance with the manufacturer's instructions.
- Ensure that the brushes are compatible with the specific caliber of your firearm.
- Keep the brushes out of reach of children and pets.
- Regularly inspect the brushes for wear and damage before each use.
- If you notice any defects or excessive wear, discontinue use immediately.
- Follow all relevant firearm safety rules while cleaning your firearm.
- Store the bore brushes in a cool, dry place to prevent damage.

## Specific Safety Precautions for Use

- Use protective eyewear when cleaning your firearm to protect against debris.
- Avoid using excessive force while scrubbing to prevent damage to the bore brushes and your firearm.
- Do not use the brushes with harsh cleaning solvents that could degrade the bristles.
- Ensure that your firearm is unloaded and pointed in a safe direction before cleaning.
- Do not leave cleaning solvents unattended or in areas accessible to children.

## Instructions for Installation and Usage

### • Installation:

1. Select the appropriate bore brush for your firearm caliber.
2. Attach the bore brush to a cleaning rod securely.

### • Usage:

1. Ensure your firearm is unloaded.
2. Insert the bore brush into the barrel from the chamber end or muzzle end, depending on your firearm.
3. Gently scrub the bore using a backandforth motion to remove fouling and residue.
4. Repeat as necessary, but avoid excessive scrubbing to prevent wear on the brushes.
5. After cleaning, remove the bore brush and clean any remaining solvent from the barrel with a clean patch.

### • PostUse Care:

1. Rinse the bore brush with clean water to remove any cleaning solvent.
2. Allow the brush to dry completely before storing it.

## Disposal Instructions

- Dispose of worn or damaged bore brushes in accordance with local regulations.
- Do not dispose of cleaning solvents in regular trash. Follow local disposal guidelines for hazardous

materials.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the 13 Piece Nylon Best Bore Brush Set, please refer to the manufacturer's contact information provided in the product packaging or visit the manufacturer's website for assistance.

Thank you for prioritizing safety and proper use while enjoying your shooting experience.
