USLMounts USLMont Safety Instruction Guide

Introduction

Thank you for choosing the USLMounts USLMont for Aimpoint ACRO. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and use.

General Safety Guidelines

- Ensure that the USLMount is compatible with your Aimpoint ACRO before installation.
- Always inspect the product for any signs of damage or wear before use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify the USLMount in any way, as this may compromise safety and performance.
- Use the product only for its intended purpose as outlined in this manual.
- If you experience any issues or have safety concerns, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that the mount is securely attached to the Picatinny rail before use.
- Regularly check the clamping force and adjust the tension as necessary to maintain a secure fit.
- Avoid using the product in extreme conditions (e.g., excessive heat, moisture) that may affect its performance.
- When not in use, store the USLMount in a safe and dry location to prevent damage.
- Use appropriate eye protection when handling or adjusting the mount, especially in the vicinity of firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and safe to handle.
- Gather all necessary tools for installation, including a torque wrench if required.

2. Installation:

- Align the USLMount with the Picatinny rail on your firearm.
- Secure the mount using the integrated leverlocking mechanism, ensuring it is firmly in place.
- Adjust the tension of the clamping force to achieve a secure fit without overtightening.

3. Usage:

- After installation, verify that the mount is stable and does not move during operation.
- Familiarize yourself with the operation of your Aimpoint ACRO while mounted on the USLMount.
- Regularly check the stability of the mount during use, especially after extended firing sessions.

4. PostUse Care:

- Clean the mount with a soft, dry cloth after use to remove any debris or moisture.
- Inspect the mount periodically for signs of wear or damage, and replace if necessary.

Disposal Instructions

- Dispose of the USLMount in accordance with local regulations for electronic waste and metal recycling.

- Do not dispose of the product in regular household waste to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or concerns regarding the USLMounts USLMont, please contact your local distributor or the manufacturer directly. Ensure that you have the product's model number and purchase details ready for reference.

By following these guidelines, you can ensure the safe and effective use of your USLMounts USLMont for Aimpoint ACRO. Thank you for your attention to safety.
